## Customer Reviews

In this book, Tabby is running MJT Consolidated Holdings and she meets the new city councilman, Patrick McCaffery who is quite handsome and has a seductive air about him. Their story begins when they meet up at an opening of the community center and they hit it off. They start going out but Mark and Sophie are understandably concerned, especially after the incident she had with her

previous boyfriend who used her. Tabby is happy , happier than she has been in a while and things are going good.Patrick comes across as nice and respectable. But there are secrets he is hiding-especially when it comes to Tabby. He is trying to clean up his past and he goes out seeking to be like the Snowman. There are some twists and turns in this story .We find out things about Patrick and his secrets as well. There are things about him that he hides from Tabby- and as the story progresses, there are some wicked things that occur that cause truths to be revealed and danger to come knocking on Tabby's door.As the story ends, I loved how he whole Mr. Dark and Ambition stories are woven together and have a kicka\$\$ finish. I enjoyed Patrick and Tabby's love story. There was action, suspense, romance, hot, spicy lovemaking and my favorite â "the mastermind of the criminal undertaking getting their just desserts. This is what LL does best, weave a masterful story with the flow perfect and ripe. There are twists and turns in this story that will leave you hanging til the end with a epilogue that is a MUST READ. I loved this book 3 in Ambition and cannot wait to read what she has next.Also there is a fantastic surprise after the book ends --Ms. Landish includes a wonderful surprise that gives us, the reader a look into what we can see for the next generation. I cannot wait because I can see we are in for another delish ride.My rating: 5.0 STARS \*\*\*\*\*A gifted copy was provided by the author for my honest review\*\*\*\*

I didn't write a review of book one, sorry. These stories are not your typical billionaire sex stories. The action packed books are write up there with James Patterson, J. D. Robb and the like. I couldn't put them down. The author is fantastic in her ability to write the danger scenes so completely believable with the hi-tech weapons and gear. I think they should not be categorized as billionaire books. Action all the way.

ARC in exchange for honest review.Superb spin-off from the Mr. Dark series where we pick up after the snowman started to clean up city corruption. Patrick and Tabby's story is full of surprises where both have current and past secrets and at the same time the same goal to help further crush corrupt leaders in the city. I love how the author also gave the main characters from her Mr. Dark series a strong presence in Ambition with their relationships woven together. The story is a roller coaster of deception, justice and true love. Looking forward to the next generation the author has planned.

Wow. This story is moving so fast, I'm breathless! Tabby and Patrick have been taking it slow, so far as sex is concerned; the physical side of their relationship is hot-hot-hot! So they agreed to back down and get to know one another better. (What can I say? It's certainly working for them!) Mark is

attacking the political corruption as the Snowman, and the bad guys have figured out that Patrick is on the same side - and never, ever going to play their criminal games with them. They have kidnapped him and are using him as bait, thinking that they'll suck in the Snowman, and get to kill the pair of them at the same time. Dumb, huh? As this episode is ending, Mark's showering them with high caliber bullets as Sophie and Tabby watch over the scene with a "borrowed" military satellite, and in the middle of this chaos, Sophie's gone into labor - I kid you not. See why I said breathless? The third and final episode is waiting on my carousel, and sleeping is off my schedule for now. Jgtimm

This is a spinoff to the MR. Dark series and this is Tabby's story. I have been waiting for her book to come and here it is In this book, Tabby is running MJT Consolidated Holdings and she meets the new city councilman, Patrick McCaffery who is quite handsome and has a seductive air about him. Their story begins when they meet up at an opening of the community center and they hit it off. They start going out but Mark and Sophie are understandably concerned, especially after the incident she had with her previous boyfriend who used her. He is trying to clean up his past and he goes out seeking to be like the Snowman. There are some twists and turns in this story and the ending of the story ended on a super CLIFFHANGER "what is going to happen to Patrick and will it cause him and Tabby to break up? Just after they finally got together? I really am rooting for them because they seem so good together. I cannot wait for book 2 to come out to find out what is going to happen.\*A gifted copy was provided by the author for my honest review\*My rating: 4.6 stars \*\*\*\*
