The Gun Runner (Mafia Made)

Synopsis

Walk on the wild side with The Gun Runner. Lovers of Mimi Jean Pamfiloff's King series and Tillie Cole's Scarred Souls series will lose themselves in this story of all-consuming passion and dark deals. Don't miss the first book in a seductive new series from #1 bestselling author Scott Hildreth Tripp. Once, I took down terrorists on the front lines as a marine. Now I'm in the business of bad. I've sold guns to people others might not approve of. I've eliminated the criminals, the lowlifes and the thugs who've tread on my turf. And I looked the Sicilian Mafia boss in the eye and told him to f*** off. No one tells me no, unless it's their last word. I didn't just act the part of bad. I lived it. Then she stumbled into my life. I tried to stay away from her. Tried focusing on moving my merchandise. But one smile from Terra was like a shot to the heart. She's mine now. And no one threatens what's mine. Terra's seen a lot of terrible things in my life. I grew up around lies and deception, and I ran away from all of them. Until I met him. I knew he was corrupt. I knew he was dangerous. I should have stayed away, but my attraction to him, my need for him, overrode my logic. Now I love him. If he finds out who I am, we're done and I'll be nothing. I never wanted to be the Mafia princess they tried to make me, but mia familia had other plans. And what mia familia wants, it gets. Only Michael Tripp can save me. Tripp and Terra's story continues in Book Two of Mafia Made, The Game Changer

Customer Reviews

4.5 Stars Michael has been in the military for ten years. Now he's finally done with that life. But his new life of being a semi-legal gun seller in Kansas City is not at all without its dangers either. And once he meets and falls for Terra, things will get even worse..... Because what he doesn't know is that Terra is the daughter of the local mafia godfather. The same guy who wants to become 'partners' with Michael. Violently if needed. But Michael doesn't want anything to do with the mafia. And the mafia boss does not want his daughter in love with a non-italian, non-catholic guy. Lots of secrets, lots of danger, LOTS of sexy time..... Terra and Michael still have a LONG way to go to get to their Happily Ever After... _____ Great first story in this Mafia series!!!! I really didn't know what to expect when I started reading. This was my first Scott Hildreth book. I think other than Nicholas Sparks I never read a sexy romance written by a guy. And this is so not a Nicholas Sparks story. ^o^ I really enjoyed reading it. I had a few tiny problems with Scott's writing style. But that could just be because I'm used to female authors. (Even though I LOVE Harlan Coben!) There were some phrases that Scott overused in the beginning. I didn't like that. But it won't bother most readers. I really enjoyed the story. But again... some problems there for me. Michael meets this hot italian girl - in Italy's second hugest city KANSAS CITY ^o^. And he doesn't for one second think that she might be related to the mafia?? Especially considering the looks of the guy he first saw her with... Well, that was a bit weird for me. BUT... I really liked the rest of the story.

The Gun Runner (Mafia Made #1) by Scott Hildreth 4 stars!!! ^o^ |the union of family is a greater bond than any other, with the exception of one. Love. ^o^ • This is my first book by Scott Hildreth and colour me impressed. It is no secret I love my mafia books and I have to admit that is what first drew me to this book, along with the cover. The mafia have always been feared, you only read a little about what is said in papers but underneath reporters license I have always been intrigued about the goings on behind closed doors and what drives these men to be the men they choose to be ^o^ |surely it can't always be about the money, maybe the notoriety or is just the buzz? Who knows! ^o^ Love has no boundaries, and at that instant, for the first time, I felt that whatever connection anyone on earth might have, we certainly had. ^o^ • The Gun Runner is a different spin on the mafia, the main focus of this story is Tripp who desperately tries to stay out of their clutches, but

sometimes the promise of good ole â œgreenâ • is too big an opportunity to miss. Tripp was a marine, well versed in combat and undercover ops and of course guns and their arsenal. Now out of service he is a gun runner, her obtains, builds and sells guns to those causes he feel are worthy. While he is selling illegally he does have his scruples about him. He doesnâ™t sell to the man on the street, but more to causes to eradicate bad and suffering, his heart was in the right place. Tripp is alpha through and through, he oozes power, strength and charm. He carries himself like a man in control and a panther ready to strike. He was confident, charismatic and a very filthy talker. He commanded every room he walked in and the attention of anyone within it, he exuded presence and ultimately fear.
