An Introduction To Policing

Synopsis

Discover the challenges, excitement and rewards of law enforcement today with AN INTRODUCTION TO POLICING, 7th edition. Written by law enforcement veterans with extensive experience in all areas of policing, this engaging, comprehensive book blends practical information with pertinent theory. The authors examine today's most current issues, policing techniques and industry trends, including homeland security, recent terrorism incidents, recent advances in policing technology, the controversial Secure Communities Program by DHS, ATF's Fast and Furious gun program, and more. Readers find the latest practitioner research as well as the most current applications, statistics, court cases and information on law enforcement careers. This edition features increased coverage of small and rural departments, while extensive examples from small and large police departments throughout the world and essays from respected law enforcement practitioners delve into crucial policing issues and challenges. AN INTRODUCTION TO POLICING, 7th edition, is an essential read for anyone considering a career in law enforcement today.

Customer Reviews

A great book loved reading it and worked well in conjunction with my intro to law enforcement class and covers all aspects of LE history techniques departments and leadership/management. A great book for those looking into becoming police or police officer looking to better themselves

This book was well written and easy to understand. It is a great law enforcement introductory book, and is very on point with current law enforcement trends,

This book is very informative. Gives you lot of information to make you think about how the police really have go though.

Well written, informative, and more than met my needs. I got an A in the class, so must have been a good book.

Great book for criminal justice class.

I have always had respect for the police, but never really understood what the job really entails!
Eager to learn more!

just what I needed for school, I love the paid return shipping! very helpful!

Great quality text book. Shipped quickly. Very pleased.
