The Black Madonna: Mysterious Soul Companion

Synopsis

The Black Madonna, Mysterious Soul Companion. . . Beginning as a research project for a graduate class in Spirituality and Culture, The Black Madonna and all that she represents became a mystical guide for Georgieff on her intimate journey of the human soul. Through travels to some of the world's most famous Black Madonna Shrines, interviews with scholars, scientists, clergy and artists, exploration of the historic evolution of human consciousness and deep reflections on the basic purpose of the spiritual path, Georgieff weaves an intriguing story of our cosmic origins, our difficult present and our hopeful future as a human family.

Customer Reviews

Beautiful. Wow. Fascinating. Refreshing. These are but a few of the words that came to mind as I read through Stephanie Georgieff's book on the Black Madonna. I found that it was an excellent look at psychology, science, art, theology, and so on in understanding what all these works of art known as the Black Madonna bring to the table. I felt that she introduced a new idea to me that should be shared: That art is a method through which the spiritual world communicates to humanity. As I read those words I immediately thought, well surely! If God can become incarnate as a human why wouldn't God use art to communicate to us as well now? I felt this book beautifully covered Divine femininity without excluding masculinity, but instead showed how they work together. I love the focus on who and what the Black Madonnas are and how they help humanity connect more to the Divine through understanding Mary's humanity. I love how the author compares Mary as a representation of The Church, of Humanity as the Bride of Christ. There is so much truth, beauty,

and healing found within this book. I love how it ends with "Who is the Black Madonna? We, humans, are the Black Madonna." I would greatly recommend this!

How fortunate for us that Stephanie Georgieff began and continues a very personal journey to know the origins of the Black Madonnas and has used her considerable capacities to research and gather together an informed experience of this mysterious and timely subject. But most appreciated are her endeavors to lift this profound work to the all embracing universal concepts of Anthroposophy that can shed a light for all of us about humanity's spiritual evolution and the place these treasured Holy icons have in revelation of that collective journey. Nancy Jewel Poer, Author of Living Into Dying, Spiritual and Practical Deathcare for Family and Community www.nancyjewelpoer.com

The Black Madonna is a profound force for the reawakening of consciousness of the Divine Feminine. Stephanie Georgieff has reverently come before Her presence and describes not only personal experience but also adds her in-depth understanding of the Black Madonna and the context in which she has appeared. A message of significance is that the Black Madonnas appeared exactly when humankind had and has need of their specific message and healing. Anyone interested in the Black Madonna and called to understand Her will benefit from Stephanie Georgieff's meaningful and timely contribution.

Readers are invited into Georgieff's personal narrative and introduced to a wealth of historical context. Georgieff shares with us her journey as a passionate seeker of spirit-knowledge. Readers will be treated to Georgieff's deeply esoteric commentary on Mary from a spiritual point of view. This is a valuable read for all who seek to deepen their communion with divine femininity.
