Love Never Dies: How To Reconnect And Make Peace With The Deceased

Synopsis

Find out why the world has fallen in love with *Love Never Dies*, the no. 1 International Bestseller by famed relationship therapist, author and media personality Dr. Jamie Turndorf, aka Dr. Love. Famed relationship therapist, author and media personality Dr. Jamie Turndorf --known worldwide as Dr. Love-- shares the amazing true story of her spiritual reconnection with her beloved deceased husband, internationally renowned former Jesuit priest Emile Jean Pin. Discovering for herself that relationships don't end in death, Jamie recounts her remarkable experience where, through the depths of her grief after Jean's sudden passing, her husband made known his continued presence--and undying love. Drawing on these personal encounters, Jamie has created a groundbreaking new form of grief therapy that combines her acclaimed conflict-resolution techniques with after-death communication. The result: an unprecedented method that enables the bereaved to reconnect, resolve unfinished business, and make peace with the deceased. Filled with dozens of examples of spirit contact and communication, this book eliminates any doubt about life after death and shows that contact is ongoing. Loved ones in spirit don't just linger briefly before going to "heaven" and disappearing from your life. Rather, heaven is a state, not a place, and your loved ones have an eternity to support you and heal any issues left behind when they passed on. Come to recognize the numerous signs from spirit that you may have been missing. Learn to trust yourself and the process that's right for you--not a shortened, artificial grief period prescribed by conventional doctors. Practice techniques for heightening your senses, expanding your awareness, and entering an open state, culminating in Jamie's method for Dialoguing with the Departed. When connection and love live on, fear is banished and relationships can grow and heal as never before. Begin opening your mind and your heart today!

“You can allow the mystery to unfold by not believing everything you’ve been told.” ~ Love Never Dies
It is time to believe what author, advice columnist, relationship and media therapist known as “Dr. Love” says in her groundbreaking book *Love Never Dies: How to Reconnect and Make Peace with the Deceased*. Dr. Jamie Turndorf’s (a.k.a. Dr Love) new book is going to rattle some people glued to official church teachings, mainstream religious naysayers and those who question the ability to stay connected with the deceased? Can there be a veiled life after life? Turndorf’s patients’ personal stories show that there are many, many other people, religious and non-religious, that experience the same thing – that you can directly connect with a spirit presence from your deceased loved ones. As Turndorf says, “We don’t have to say au revoir to anyone dearly departed, and, we can still heal our previously strained relationships with someone who has passed. I dream about my deceased parents, grandmother and in-laws, usually during times of personal turmoil. I awake with a feeling of joy. I get a whiff of my father’s breath every now and then. I associate birds with my mother’s passing as they showed up everywhere, lined up on my deck, and still perch on my windowsill since the day she died. I know my loved ones, long gone, are still with me in spirit. But does this mean they are hanging around me each and every moment, or every time I want to communicate with them? The jury is still out there for me, but it’s gaining momentum. I’ll have to try some of Dr. Turndorf’s methods to see what happens.”
