Synopsis

INSPIRED BY TRUE EVENTS! Inspired by the real life Mississippi Mystic, Seymore R. Prater... An otherworldly gift... Like Edgar Cayce, the Sleeping Prophet, Prater had the gift of clairvoyance. Known throughout the South for his mysterious and miraculous abilities, he could "see" beyond the barriers of time and space- identifying a man's killer, finding stolen objects, and even locating lost people. A profound paranormal legacy... Seymore Prater left behind a supernatural legacy and one unsolved murder that terrified a Mississippi town as the community battled their fears of the living and a dead man's ghost that haunted the 'Old Floyd Place'. An angry spirit... On January 3rd, 1931, Arthur Floyd was murdered in his store in Carrollton, Mississippi. Days later, the deaf man was found still clutching a piece of peppermint candy. When a local black woman discovers the decaying corpse, she becomes tormented by ghostly visits and seeks the help of the African American community to dispel the angry spirit. A haunting mystery... With no eyewitnesses to the crime, Arthur Floyd's killer is destined to be a free man until his brothers consult The Mississippi Mystic. Will Prater's supernatural insight be the final clue needed to solve the Floyd murder? Will answers bring peace to a town ravaged by fear? As Sheriff Baker and the Floyd brothers struggle to solve the case, the sheriff vows that Arthur's killer will be sentenced and hanged by the neck until dead. For Seymore Prater, it was MURDER at FIRST SIGHT...

I always loved listening to Southern tales. As I grew up I couldn't get enough of Southern Tales especially the ghost tales. The rural South is a completely different world and L. Syndey Fisher bring
that world to life. I couldn't get enough of this story. I didn't want the book to end.

Wonderful, fascinating read. As a lifelong resident of the Deep South, it is rare I find a story set in this area that captures the true atmosphere of our unique culture in the way Ms. Fisher has performed this task. Amazing story line. Very authentic. You can't put it down once you read the first paragraph!!!!!!

Mississippi seems to have more than its fair share of storytellers. Faulkner, Welty, Foote, Grisham, Greg Iles are a few that come to mind. Now comes Fisher carrying on the tradition of unique and talented authors. If you enjoy the supernatural, or a murder-mystery, or just a good old-fashioned ghost story, you won't want to miss Fisher’s latest work.

Ms. Fisher has done her research and tells a fascinating story. And the brief descriptions of other paranormal incidents at the end of the book are fascinating! Great job L. Sydney Fisher!!
