Free Speech Isn't Free: How 90 Men Stood Up Against The Globalist Establishment -- And Won

Synopsis

Free speech may be your right, but unless you fight for it, you'll lose it. That is the message of *Free Speech Isn't Free*, which chronicles how organizing a lecture tour for masculine men inserted Roosh Valizadeh into an unexpected free speech fight spanning several continents, putting both him and his family in danger from the globalist establishment and their mob of deranged social justice warriors. After becoming activated by mass-scale media distortions and mayoral denouncements, the SJW mob in Canada rose up against Roosh and his followers to halt his tour. Roosh refused to cancel and set out to hold the lectures in secret. He shares how he fought back against the mob while trying to come to terms with the globalist agenda that they're controlled by. The well-informed men he met throughout the tour were critical in sharing hidden knowledge that put the agenda's puzzle pieces into place. Even after the lecture, when Roosh tried to conduct happy hour meetings for his followers, a bigger worldwide outrage befell him, leading to the doxing of his family and threats to burn their house to the ground. *Free Speech Isn't Free* shares that story for the first time in a special epilogue, and what was going through the mind of a man who was the number one target for a 1984-inspired "two minutes of hate" that took place worldwide. How far will you go if the establishment attacks you for what you believe in? Are you ready to defend yourself if they come after your reputation, your job, and your family? *Free Speech Isn't Free* shows what one man did when powerful groups tried to silence him, along with everything he learned during the most momentous months of his life that will help others be able to identify and defend against attacks within their own lives. Bonuses included are the transcript of the "dangerous" speech that started it all, *The State Of Man*, and an important new article explaining how to keep yourself safe from social justice attacks.

Book Information

Paperback: 242 pages

Publisher: CreateSpace Independent Publishing Platform (May 31, 2016)

Language: English

Average Customer Review: 4.2 out of 5 stars See all reviews (170 customer reviews)

Best Sellers Rank: #296,575 in Books (See Top 100 in Books) #136 in Books > Politics & Social

Customer Reviews

VERY IMPORTANT NOTE: ALL OF THE 1 STAR REVIEWS FOR THIS BOOK WERE NOT LEFT BY PEOPLE WHO READ THE BOOK, BUT BY ANONYMOUS USERS WHO ARE TAKING ADVANTAGE OF THE FACT THAT LETS YOU REVIEW ANYTHING WITHOUT PROOF OF PURCHASE. THOSE REVIEWERS ARE POLITICALLY-MOTIVATED SABOTEURS, NOT IMPARTIAL CRITICS OF ROOSH'S WORK. IF YOU ARE 'ON THE FENCE' ABOUT PURCHASING THIS BOOK, DO NOT PAY EVEN THE SLIGHTEST ATTENTION TO THOSE REVIEWS, THOSE PEOPLE *DID NOT* PURCHASE OR READ THE BOOK AND HENCE THEY ARE NOT EVEN REAL REVIEWS. With that out of the way, Here are my impressions.>>> In case somebody totally new to Roosh's writing is here, I'll include a word on the topic:Free Speech Isn't Free is Roosh's play by play description of the Canadian media firestorm surrounding his speech there in August of 2015. Roosh had been planning on holding a speech for men in Canada, similar to ones he'd held in Berlin, New York and D.C. Much to Roosh's surprise, his arrival in Canada was met with calls for him to be banned from the country, boycotted, and even criminally prosecuted. The book (up to the point that I've read) is a play-by-play of what happened, including an overview of the events that you may have already read about, as well as some 'behind the scenes stuff' that you've likely never heard. Again I have to stress: I'm only about a third of the way through the book. I expect Roosh to cover a lot of ground I haven't yet mentioned as I'm already nearing the Chronological end of the story. According to the table of contents, there will be extensive appendices on subjects such as "how to survive an SJW attack" and "What is Neomascularity?

Reading history, one observes that big societal changes often seem to happen overnight. The French Revolution, the fall of communism, the victory of the Morlocks over the Eloi, and so on. Yet each of these "sudden" changes only emerged after a lengthy period of unsustainable injustice. If you happen to be living through one of these periods, it may seem the current state of the world might never change. And then one day a baffled Jeb! Bush wakes up from yet another nap to find he's been replaced by #Trump2016. We're living through one of these periods when it comes to the confluence of technology and free speech. For over 40 years, Western governments and mainstream media have united to label anything opposed to the globalist narrative as hate speech. But we may finally be at a tipping point. A relatively small number of free speech advocates are the vanguard of an army who are disgusted with the elitist agenda's lies. Roosh V is one of the original

big three underground game & masculinity writers from over a decade ago. His book details what it is like right now for an independent, unaffiliated citizen to openly challenge the globalist narrative. The story is well-written and interesting for its own sake. But its real value lies in shining a light on how the issues he battles are affecting us all. Free Speech Isn't Free shows just how easily Big Brother can attack you for speaking against The Narrative. The most powerful men in the world, let alone an average citizen, can be brought low by a timely false rape accusation. You can lose your income for noticing the wrong HateFacts about crime or women or immigration.
