Dr. Vigilante III

Synopsis

Wanted by the NYPD for assaulting police officers. Wanted by his lover for rescue from a fiend. Robert has been sent a personal message by the Owl, a serial-rapist who has been torture-killing women in New York City for months: "Find me in 72 hours or I rape-kill Sharon in the most viral video ever." The clock is ticking. The cops are breathing down his neck. Karma is the new vigilante in the final novel of the Dr. Vigilante trilogy.
