# Physical Chemistry Student Solutions Manual

## Synopsis

Contains complete worked-out solutions for all "B" exercises and half of the end-of-chapter problems.

## Book Information

Paperback: 300 pages

Publisher: W. H. Freeman; Eighth Edition edition (August 11, 2006)

Language: English

ISBN-10: 0716762064

ISBN-13: 978-0716762065

Product Dimensions: 7.6 x 1.1 x 9.3 inches

Shipping Weight: 2 pounds

Average Customer Review: 3.9 out of 5 stars [See all reviews](#) (8 customer reviews)

Best Sellers Rank: #1,184,218 in Books (See Top 100 in Books) #336 in [Books > Science & Math > Chemistry > Physical & Theoretical > Physical Chemistry](#) #2943 in [Books > Science & Math > Chemistry > General & Reference](#) #3134 in [Books > Textbooks > Science & Mathematics > Chemistry](#)

## Customer Reviews

Doing practice problems ended up not being helpful for the class.

This solutions manual only covers half of the problems in the book, and it's the same problems that are already answered in the back of the text book! This manual is only helpful if you are working the problems that are answered in the back of the text book, and if your teacher is like mine, he/she probably only assigns the problems that are NOT answered in the back of the book. Therefore, this solutions manual is completely worthless to me. I purchased this manual because I knew I would have trouble, and I wanted a guide to help me figure out how to solve the problems. I regret to say that this manual is an utter failure and doesn't even meet my lowest expectations. If you are familiar with bittorrent, then search for the unofficial full solutions manual on there.

Besides being the class that Satan himself designed, this book was basically useless. You have to buy a separate answer book for the A and B questions AND the odd and even problems. Good luck finding the A book with the even answers. Explanations of derivations and equations were brief and summed up with "After basic arithmetic" which wasn't true. There were hardly any practical

application examples. If you have to get it for class I wish you the best of luck. It's freaking heavy too!

The product was just as I had expected and it arrived ahead of time. I appreciate it. Thanks
