## Customer Reviews

Nikki Bates can escape her past by moving to a cozy town in Vermont, but that doesn't mean her past won't catch up with her. A woman is murdered, and the connection hits too close to home.

Soon clues lead Nikki to a darker time in her past. Will she be forced to confront a man that she helped put away? Will she make it out alive this time? Nikki needs all the help she can get to solve the mystery, and to keep her family and friends safe. An enjoyable, fast-paced cozy that keeps you guessing until the end. I hope to read more from this author.

This is an excellent series! I suggest reading the series starting with book 1 so you understand all the background of Nikki. I can't put my Kindle Fire down while reading these books because they just keep you wondering what is going to happen next. Onto the next one!!

Fun quick read. Wendy writes a great little mystery, keeps your attention. I recommend reading all of the Maple Hills books, I hope she continues the series.

I really enjoyed the story. It was a quick read but at times it was bogged down a bit. We know by now she lived in Atlanta.. Overall a good book.
