# Grilled Rye Murder: Book 16 In The Darling Deli Series

## Synopsis

Summer Prescott Books is proud to present the last book in the highly acclaimed Darling Deli Series: Grilled Rye Murder - Book 16 in The Darling Deli Series. With her wedding just over the horizon, Moira Darling is running around getting last-minute preparations taken care of. Thanks to the help of a pair of new employees, things at the deli are going more smoothly than ever, and she is just beginning to think she can relax, when she stumbles upon a colleague's brutal murder. As if things couldn't get any worse, she becomes a suspect in the crime and is jailed, putting quite the crimp in her wedding plans. After getting bailed out of jail, by an anonymous person, Moira finds herself with two mysteries to solve. Who killed her friend, and who paid her expensive bail? Is it possible that they are the same person? Experience the joys and pain in this thrilling and action-packed last book of The Darling Deli Series, as Moira faces her toughest challenges yet.

## Customer Reviews

I love this book!! I cried and laughed!! I do not want this series to end and maybe, just maybe, it might continue in the future?? I get a feeling that it might one day because the ending didn't seem

like the end of a series, new employees on the catering end of the deli, the new family who took the puppy into their home, Candace's wedding to happen yet and Moria and David's story just beginning???. I really hope this isn't the end!! I love the friendly relationship that Detective Jefferson and Moira have now in this book. I would have never guessed who really was the murderer, it really fooled me!! This entire series is fantastic and I would recommend it to anyone who loves cozies and food!!!

I definitely thought that book 16 ended on a great note. The fact that the timeline jumped and everything that seemed to be left open ended actually ended when it should have. I can not complain at all. Patti did her thing. In this book you guys will learn a little bit more about Candice and Eli, Moira and David, and someone from Hazel's past will be coming back. I just can't wait for everyone to read this. From start to finish this book was just amazing. I mean your mother will be hanging open around the mystery and the ending will have you crying. Patti we will miss this series but you did end on a great note and I can't wait to see what may be coming down the pipeline for you.

I am very sad to see these characters go but it has been a heck of a ride. You just never knew what Moira and the gang were going to get into. Especially this final book in the series! Moira is planning her perfect wedding when things just don't go as planned. But come on ladies what wedding goes on without a hiccup:) Seems someone has it out for Moira to the point where they are setting her up for murder! She has even been arrested!!! Will she be able to get out of jail and clear her name to say I DO???. Exciting end to the series and a must read

A great culinary mystery series is coming to an end with book 16. This murder mystery was paired with second mystery. Who paid the bail money for Moira to get out of jail? This kept me guessing. It was fun reading all about Moira running all over town planning her nuptials. I especially liked when they went to the cake testing. Yum! I really enjoyed the climax and the wedding. Check out this series, if you like really yummy mysteries! I received this ebook from the publisher in exchange for my honest review.

This story was extra sweet. I like how the dog owner mystery was incorporated in the story. The fact that the engagement took a year was nice versus all the other books where everything took place in just a few months. I hope that by leaving the ending open in regards to Candice that one day there

may be series featuring either her chocolate shop or Eli and his ice cream shop. A story of David and his P.I. Business would be great too. This was a fun series with surprises along the way.

Finally a wedding but first a murder to solve. With both Moira and her daughter Candace engaged there's lots of wedding planning to do but Moira ends up arrested for manslaughter. David and Detective Jefferson work on clearing her name while Candace, Moira, and her friends put the finishing touches on the wedding. Who's getting married first? I'm not telling. A threat addition to this series. I received a free copy of this book in exchange for an honest review.

As the saying goes 'all good things must come to an end'. This is the last book in the series (for now). If you haven't read any of them, each is independent but I would start at the beginning so you can see the relationships develop. I have thoroughly enjoyed all the prior books in this series and this one was no exception. I'm saddened to see this series end but looking forward to the new series by this author.

This was a great story and a fast read. David and Moira are planning their wedding. There is a murder, and Moira is being framed for it and finds herself forced to stay in the state. Will the murder be solved and her name cleared so that she and David can go on their honeymoon? I received a copy of this book from the publisher in exchange for my honest review.
