## Customer Reviews

I love this series. Please write faster, Miss Angela. I am anxious to start book 3 of Wisteria Witches immediately. At first the Stormy Day series was my favorite, but I really enjoy the wacky characters,

the magical powers and the story line, along with the slightly oddball humor of this series. Even my husband enjoys them. PS I like the Diamond story also (Girl in the Shadows)..

This is the second book about the Wicked Witches of Wisteria cozy paranormal/romance mysteries and actually was a pretty good story. There is not much romance in this one and the ending is a bit confusing but overall it was a most agreeable book. I'm definitely looking forward to book 3 in the series.

Zara finds books with missing words at the library. Chet is acting strange. Her daughter still hasn't shown powers. Her aunt won't give straight answers. All she wants is some answers. Join Zara as she weaves her way through another mystery. I look forward to number 3.
