# The Least You Should Know About English: Writing Skills, Form A, 6th Edition

## Synopsis

This best-selling workbook for sentence-level developmental writing courses covers the essentials of sentence structure, punctuation, mechanics, and the writing of simple papers. Simple terms are used to present the essentials of English, so students can gain confidence as they learn. The straightforward organization, rule plus exercise, makes it easier for students to work on their own.

Product Dimensions: 0.5 x 6.5 x 9.5 inches

Shipping Weight: 12.8 ounces

Average Customer Review: 4.9 out of 5 stars [See all reviews](#) (9 customer reviews)

Best Sellers Rank: #230,624 in Books (See Top 100 in Books) #23 in [Books > Reference > Writing, Research & Publishing Guides > Writing > Academic & Commercial](#) #347 in [Books > Textbooks > Reference > Writing Skills](#) #714 in [Books > Reference > Words, Language & Grammar > Rhetoric](#)

## Customer Reviews

After being tracked into honors English in high school and upper level English in college, I knew nothing about writing a correct sentence. During a career change, I was assigned to edit technical manuals. I could no longer limp along on my poor grammar skills. This book was assigned to me in conjunction with a community college class in English. Wow! This book made so clear all those sentence diagrams. I could write a sentence with a sense of confidence in my grammar skills. I am purchasing this book for my son, who is just entering Middle School, to give him the confidence in writing I lacked for so many years.

Don't be fooled by pretty pictures and a plethora of pedagogy - this is the real deal if you want to teach English skills - from vocabulary through mini-essay assignments, and all the simple, useful grammar explanations and exercises in between. The Least You Should Know About English Form A (6th Edition) can't be beat - certainly not by Form A 7th Edition, which is an overblown, expensive imitation of those giant workbooks we all know and hate. Glazer's own intelligence, acerbic wit,

style, and simple desire to help students shine through every word of instruction, every exercise in FORM A EDITION SIX, but are sadly compromised as she collaborates with another author in FORM A EDITION SEVEN. Get the real deal; don't settle for an imitation.

This book was recommended to me by my Public Speaking professor, and it completely changed my writing skills. Before using this book, I used to do poorly on my college papers due to grammatical errors. By the end of my undergraduate studies, I received perfect scores on most of my papers. I even had one nursing professor leave me a voice mail on how impressed she was with one particularly important assignment. I highly recommend this book.

This is a good book to add to my collection. It was delivered in a good timely fashion and is in good shape. This is a book that can really help you grasp the basics of English grammar.

EXCELLENT!! Very simple, yet comprehensive. So glad I got it! Thanks!!
