Customer Reviews

This book provides more than just the flavor and attitudes of what it means to be Toreador but provides substance as well. You will find in here thier history and attidues. Beyond that you will find new merits and flaws, an excellent system for creating and critiquing art, high level disciplines. The sample characters show that there's more to a Toreador than prissy artiste and possuers with thier noses in the air.

Do you know what it means to be an outstanding artist? Do you REALLY know what Vampire means?Well, take a look at this book and let their passion dance in your mind. Piece of art, I tell you. I love it. GC.

This book is a must by for all you Vampire the Masquerade players out there who just enjoy annoying the other players with cruel comments about thier taste in clothing and such!
