Customer Reviews

Steve Holmstrom's book is an excellent guide for the veterinarian practicing dentistry. I cannot recommend a better practical procedures book. It is small animals only.

Lots of useful info and great pictures. Great and helpful reference for any general practice vets. Definite must have. J

Excellent textbook on veterinary dentistry- best that I have found yet. Very complete and gives instruction on everything from simple extractions to repair of oral tumors and fractures. This book is also very user friendly.

I was very excited to obtain this reference! It is easy to understand and organized in a practical way. Great book for a general practitioner!

great text
