# Millieu O Campaign: Traveller Role Playing Game

## Synopsis

The Long Night, a period in which the remnants of a once-mighty interstellar empire regressed to barbarism, has passed. Starships once again ply the space lanes, and civilizations are reawakened to the vast interstellar community of worlds. One ambitious world has designs on empire itself, and the growth of the Sylean Empire is in full swing. It is the time of the pocket empires, despots and philosophers, merchant princes and piratical tyrants, an age when the foundations of the next thousand years of history is being laid.
