The History Of Al-Tabari Vol. 8 The Victory Of Islam: Muhammad At Medina A.D. 626-630/A.H. 5-8

Synopsis

Volume VIII of al-Tabari's great 40-volume history of the Arabs covers the history of the Muslim community and the biography of Muh'ammad in the middle Medinan years. During this period, Meccan resistance to Islam collapsed, Muh'ammad returned triumphantly to his native city, and the Muslim community weathered controversy in Muhammad's private life. This volume covers the history of the Muslim community and the biography of Muhammad in the middle Medinan years. It begins with the unsuccessful last Meccan attack on Medina, known as the battle of the Trench. Events following this battle show the gradual collapse of Meccan resistance to Islam. The next year, when Muhammad set out on pilgrimage to Mecca, the Meccans at first blocked the road, but eventually a ten-year truce was negotiated at al-Hudaybiyah, with Muhammad agreeing to postpone his pilgrimage until the following year. The Treaty of al-Hudaybiyah was followed by a series of Muslim expeditions, climaxing in the important conquest of Khaybar. In the following year Muhammad made the so-called Pilgrimage of Fulfillment unopposed. Al-Tabari's account emphasizes Islam's expanding geographical horizon during this period. Soon after the Treaty of al-Hudaybiyah, Muhammad is said to have sent letters to six foreign rulers inviting them to become Muslims. Another example of this expanding horizon was the unsuccessful expedition to Mu'tah in Jordan. Shortly afterward the Treaty of al-Hudaybiyah broke down, and Muhammad marched on Mecca. The Meccans capitulated, and Muhammad entered the city on his own terms. He treated the city leniently, and most of the Meccan oligarchy swore allegiance to him as Muslims. Two events in the personal life of Muhammad during this period caused controversy in the community. Muhammad fell in love with and married Zaynab bt. Jahsh, the divorced wife of his adopted son Zayd. Because of Muhammad's scruples, the marriage took place only after a Qur'anic revelation permitting believers to marry the divorced wives of their adopted sons. In the Affair of the Lie, accusations against Muhammad's young wife 'A'ishah were exploited by various factions in the community and in Muh'ammad's household. In the end, a Qur'anic revelation proclaimed 'A'ishah's innocence and the culpability of the rumormongers. This volume of al-Tabari's History records the collapse of Meccan resistance to Islam, the triumphant return of Muhammad to his native city, the conversion to Islam of the Meccan oligarchy, and the community's successful weathering of a number of potentially embarrassing events in Muhammad's private life.

Customer Reviews

Tabari in this volume relays the information starting from the battle of ditch to conquest of Mecca. Various raids to neighbouring tribes are also included based various transmissions. These volumes of Tabari are source book for many investigators and books on Islam, historical view or religious. Although in important cases where the situation escalated to battle reason are given but in small raids Tabari provides no explanation and only says on such and such date so and so made a raid to so and so tribe.

My reason for buying this volume is to use it to teach on the dangers of real Islam so in that sense it served its purpose. Hadith are the only thing that sheds light on the Qur'an and Tabari is a good source along with Al Bukhari and Muslim. These used in conjunction with Ibn Ishaq's Surat Rassul Allah reveal clearly the mind of a madman.
