I am so grateful to have read this book. There has been a lack of teaching and acknowledgement about the value and importance of an established fivefold ministry in the local church. This book helps to bring understanding about the five gifts of the Son and how they should function, individually and as a whole. They are meant for every congregation not just mega-churches! I didn't realise that. I am so stirred to partner with the establishing of the fivefold ministry in the local church now. It's an exciting time we are living in!

This book presents the larger view of Jesus Christ's ascension gift ministries in perspective with present-truth understandings; and that the foundational offices of apostle and prophet have been fully restored; and that we are now in the 2nd Apostolic Age. You will truly enjoy this offering by Ron Myer; his style is very readable and not tedious... He obviously has first hand experience concerning the placement and positioning of these ministries within the Body of Christ; and his testimonies will bring tremendous insight to your perception of the 5 ascension gifts given to the church by Our Lord Jesus Christ. Our local church is using this as a textbook for training ministers; and others that want a deeper understanding of the fivefold ministry... You will not be disappointed with this book... It is very relevant for 2014!

The book is really a lot of anecdotes and little else. Never, once did the author make his point out of Scripture. One could eliminate his bible references and the message would be the same. The categories are artificial and the terminology makes it obvious he is writing to insiders who have embraced the ideology.

Great general breakdown and understanding complimented true life applications and experiences. Use of scriptures as a validating resource to what has been given to share to help edify the body of believers in Christ Jesus.

Great book! Exactly what I was looking for! I believe God is calling the church back to a proper understanding of the Five Fold ministry and this book will help you in your understanding of that.

This book is awesome we had to purchase it for our ministry class last year and it's a good one. Hope you enjoy it as well many blessing in store for you in Jesus mighty name.

Very informative. Would certainly recommend to all fivefold ministry leaders, and to those who wish to learn about the practicality of the fivefold ministry!

I enjoyed this book. It helped to bring five fold ministry and what it should look like into perspective.
