Synopsis

In today's disconnected, fragmented world, shamanism has the power to offer us the connection and wholeness we so need. In this book, Christa Mackinnon introduces the reader to a range of shamanic tools and approaches – including ceremony, trance journeying, vision quests, nature work, drumming, dancing, and lucid dreaming – to help readers heal, expand their consciousness, and reach their highest potential. This highly practical and straightforward manual demonstrates how to: build an altar conduct small ceremonies connect with spirit helpers carry out ancestral work | and much more ! Through these practices, readers will learn how to come back to their roots, put soul and spirit at the heart of their existence, and develop authentic vision, purpose and meaning in life.
