## Customer Reviews

This book has fun hipster designed images of Halloween! It includes witches, squirrels, cats, spiders, and all fall things that revolve around everyone's favorite holiday! It's a perfect book for tweens, teens, and adults of all ages. I haven't seen anything like this...it's awesome!!! I'm going to buy their entire series of Boho books! They have a delightful Boho Hipster Holiday Coloring Book, too!!

Very happy with this coloring book! It's a great mix of detailed and less detailed images following the Boho Halloween theme. I like the combination of medium and highly detailed illustrations; sometimes I want a fun picture to color that won't take me hours! I plan to purchase some of the

other Boho/Hippie/Hipster coloring books to take along on a girl's weekend. Perfect activity with a glass of wine and good friends.

Totally disappointed. Thought there would be fun pages to color like the cover. The cover page is not even in the book nor are there fun pages like the cover.

What a great coloring book! My girlfriends and I had a blast ! Halloween is my favorite holiday. And this is making it better *f*
