## Customer Reviews

This book is actually a perfect travel guide for Florence and Tuscany, Italy. The book also contains some photos that you will surely amaze and through that photo you will be excited or it will convince you to visit/travel to Florence, Italy! This is so informative because there are hot lines or phone numbers to contact once you arrived in the airport. Important contact numbers to save like emergency hotline, police number, etc were provided. For people who don't know how to speak Italian, the most commonly used phrases were also mentioned. Accommodation, transportation, places to visit, food to eat, etc, were all covered in this book so planning phase is easier to finish. As what I have seen in this guide, Florence and Tuscany, Italy are both romantic places and have the nicest spots, which tourists will love to visit. All necessary details for any foreigner must know when visiting Florence were considered and discussed in this travel guide. This was an excellent purchase and I strongly recommend it for those who are interested to travel Italy.

This is a perfect travel guide for anyone that's planning to visit these beautiful Italian cities. The book is complete with phone numbers to call with the best spots for everything you need when you arrive. Learning about their climate and the best and worst times to go there is extremely helpful so you can really take advantage of their best seasons.

When I was in Italy, I made sure to check out Florence. This guide provides you some basic tourist information. Well put together, but partially copied from internet websites, which is obvious when you look at the â œback to topâ • they left in the ebook. If you have a kindle though, it will be nice to

download an ebook like this to look at it even when you don't have an internet connection.

I love traveling. North America I have conquered, but Europe is yet to be visited. I have always been fascinated with Italy and hope to go there one day. I appreciate the depth of information contained in the book about Florence, Italy. The city seems to be quite nice, making my desire to go there heightened all the more. The book basically tells you what you need to carry with you, certain general phrases you can speak, recommended tourist attractions, night time spots, museums, the different foods you can, what to do and not to do, certain customs of the inhabitants, which companies to check for guided tours, and so on. I mean, this is one mean book! Being well prepared to visit a foreign country can be the difference between having a good time and not having a good time. Read this book before going to Italy so that you can be fully prepared.

I'm a huge travel bug and couldn't resist comparing my travels with this guide - extremely thorough and awesome. Very helpful and pretty much hits all the sights you'd want to see in Florence. And the views in Italy! amazing. Get this book so you can go there asap.

This is a great travel guide for Florence and Tuscany. It gives you a 3/5 day itinerary to wonderful sites that are rich in history. From wine regions in Chianti to the off the beaten path Siena and Lucca, this guide book gives you all the information you need and want to know about Florence and Tuscany. There are detailed descriptions of the best attractions, experiences, places to shop and eat. It gave me serious travel inspiration. This is no doubt an awesome very well-written guide that you can never go wrong to have.

I'm preparing to go on a trip to Florence and Italy, so this guide book is very useful to me as it introduces me to the various attractions, the places to go to on a shoestring budget, the emergency numbers to call when required and the great clubs to take a peek at. It's a book worth investing in for an overview of what a trip to Florence and Italy entail.

A great book that will take to every interesting place in Florence! You won't miss a thing if you get this with you!! I really enjoy it and I manage to get to every interesting place I wanted to!! This book shows the best places to visit even in a limited budget!! It has the best hotels, restaurants, cultural places!! I recommend it!
