She held her breath, her arms shaking, and it felt as though her heart was going to explode out of her chest. Go away, she thought. You're done. You've killed me - now leave. Tainted water. Dead bodies. Blood silence. Two people are coldly executed behind a bar in Washington DC. A high-powered lawyer and his beautiful client are brutally slaughtered in a lake house in a suburb west of Minneapolis. Two cases separated by a thousand miles and connected by one man - Mac McRyan. In a tale of money and blood that hits a little too close to home, Mac is forced to confront his tumultuous past. Blood Silence is a web of unsettling twists, startling turns and unforeseen redemption with each chapter adding a layer of intrigue that will pull you in further. To receive a free copy of a McRyan Mystery Series spin-off episode when it is published join my new release list at www.RogerStelljes.com What people are saying about Blood Silence: "Wow!! Just wow! This has to be the best McRyan book I've read - I really enjoyed the twist and turns this book had to offer. This book takes the reader on one wild ride, with the suspense not letting up until the very end. Mac is one part Lucas Davenport and one part Mitch Rapp - and it just does not get any better than that! Sex, power, money, and murder keep you wanting to keep reading until you finish it and then wishing there were still more to read! Great story with all the elements of a fantastic read. Two thumbs up, way up for this one! Five stars and then some. Couldn't put it down! Everything else I had to do just sat until I finished this book. Compelling, thrilling, good tale, all ends wrapped up, with a thoughtful ending. Roger Stelljes is exceptional. His plots twist, turn and keep you glued to the book. Minnesota has produced two mystery writers of extreme talent, Vince Flynn and Roger Stelljes. Keep 'em coming Roger! Another Mac McRyan excellent read!!! I wish Mr. Stelljes could write faster because I love his books and can't wait till the next one. He never disappoints. A book that drew me right in. A well written story - and you just have to like Mac!! I'll read more of Mr. Stelljes' books. Loved this one!!! FIRST CASE - McRyan Mysteries Book #1 An emotionally charged investigation full of unexpected twists and turns, Mac will need to follow a convoluted trail of evidence, secrets, and hidden agendas to help solve a murder

mystery that is his first case. **THE ST. PAUL CONSPIRACY** - McRyan Mysteries Book #2 A complex murder investigation with repercussions far beyond an ordinary serial killer case - national and political security concerns lie at the root of this tangled, fast-paced gritty crime novel. **DEADLY STILLWATER** - McRyan Mysteries Book #3 Two girls gone... A brazen daytime kidnapping is just the beginning in a case of betrayal and revenge that will ultimately strike at the soul of the St. Paul Police Department. **ELECTING TO MURDER** - McRyan Mysteries Book #4 Ruthless killers. Grisly deaths. Escalating stakes. A murder in a seedy motel, an investigator operating in the shadows, and political masterminds all collide. **FATALLY BOUND** - McRyan Mysteries Book #5

Customer Reviews

Every time I finish another book in the McRyan mystery series, I always have the same thought - how will the author possibly top this one? Well, with this latest installment, I once again feel the same way. This book takes the reader on one wild ride, with the suspense not letting up until the very end. Mac is one part Lucas Davenport and one part Mitch Rapp - and it just does not get any better than that. Clear the deck when you start this book, because you will not be able to put it down.

There is just not a book written by Roger Stelljes that I haven't loved. Blood Silence continues in that tradition. Stelljes always presents a complicated story with a heavily populated cast of characters. You have to pay attention to what the man is saying to keep up with the story. This is certainly true of Blood Silence and the depth that Stelljes went to crafting the story around oil and gas production including the process of well fracking. There is always a gem in Stelljes' books...you always come away knowing more about something, and usually an in depth knowing, than you knew before. Just consider the Stelljes books as a life encyclopedia. Well done Mr. Stelljes, well done as usual! Thanks.

Just finished Blood Silence and found it just as good as the other books I've read by this author. Great story with all the elements of a fantastic read. Sex, power, money, and murder keep you wanting to keep reading until you finish it and then wishing there were still more to read. Roger Stelljes just keeps writing winner after winner and I'm looking forward to his next book. This is a great series for those of you that are police murder mystery fans.

Nice plot that unveils some of the societal and environmental hazards caused by our appetite for cheap oil. As usual, Mac's adventures kept me busy turning pages was page-turning until the wee small hours when I finished. My only complaint is that I missed Dara. If she stays in Europe much longer, I may just go join her. (Hmm---maybe she is checking out how successful wind-power is in northern Europe!)

This was a home run.. I don't remember how I found the first of Roger's books, but I have been a fan since I read 'The St. Paul Conspiracy' back in 2012. I am not from the Minneapolis area, but I feel like I know it based on the descriptive writing in these stories. In this story, the action moves through three states and nothing was rushed or left out. I could visualize in the story the locations and people better than no other writer can. This is a guys book. I read a lot, and find some kind of feminist movement in so many action stories where the writers feel they need to include a strong female action hero to attract a female audience. I don't believe it is necessary and I will bet woman want a strong, faithful lead man like Mac who is drawn into his ex-wife's investigation. I was glad this did not have the girl partner from the FBI involved as it would have complicated the relationship between his ex-wife and his fiancée. I also believe woman want male-centric stories and see the woman partner as a distraction and patronizing. The plot, premise and action all unfolded in a clear

and exciting way. There were a few places where I had to stop and gather my thoughts the action was so good. My only complaint was this book took too long to write, but it was worth the wait.

What a great story line! I'd never have come up with the twist that gets Mac involved in this case. I've read all the books in the McRyan series and love them. Mac is a great investigator and the way he works a case makes you appreciate being along for the ride. I highly recommend this book!

This series has become one of my must read groups. Good plot. Many twists and turns. A main character that is extraordinary but still human with flaws and depth. Story stands alone but is better if read in context of the series. Leaves you wanting the next installment of the life and cases of Mac as soon as possible.

This applies not only for Mac, but also for Roger Stelljes. He portrays Mac as almost invincible....yet, realistically, he has to portray Mac as having issues in his soul that needed extraction, and he accomplishes it without harming the charm of Mac McRyan. I am looking forward to the next book!
