# Gray Resurrection (A Tom Gray Novel Book 2)

# Synopsis

Book 2, a continuation of the Tom Gray series. After the terrorist explosion in which he is believed to have died, Tom Gray has been living a quiet life in the Philippines as Sam Grant, under the watchful eye of his government handler, James Farrar. His peace is short-lived; Farrar recruits him for a mission that needs Grantâ <sup>™</sup>s particular skills, but fate intervenes when Grant is taken hostage in the southern islands by Abu Sayyaf, a militant organisation, and comes face-to-face with a dangerous former enemy. Gray Resurrection, the second book in the series, is an exciting and fast-paced thriller with an explosive conclusion that reintroduces the inimitable man-of-action, Tom Gray.

Alan McDermott has done it again!! He managed to write a thriller with so much action and things going on that keeps you biting your nails to know what is next. With a very clever plot, the reader gets so hooked in the story that you just have to keep on reading. The story is really gripping and fast-paced. After Tom Gray got terribly injured in his previous adventure, and the government gave him a new face (literally) and a new identity, Sam Grant tries to live a normal life in the Philippines.

What he doesn't know is that the government has different plans for him. Before he can even consider what he has been ordered to do, he is kidnapped and held hostage by a Muslim terrorist organization. Join him while he tries to survive in the enemy's field. Get thrilled when people from his past appear in his life again, and hold your breath while Sam Grant fights both for his life and for the lives of the people he cares. Loyal to his principles, Sam Grant cannot see the injustices of this world without wanting to change the situation. Will he be successful in his ordeal? Read this wonderful thriller to know that. The style is quite suitable for the kind of book that Gray Resurrection is. Powerful language, reflecting the great amount of action we find in this second book of the Tom Gray saga. If you loved Gray Justice, you will love Gray Resurrection even more, since it has more action, more suspense, and more questions to be answered. The characters are very well-defined, so well that they stand out as 3D characters. And you also find the usual unexpected twists in the plot that are so characteristic of this author. I love reading a book and not being able to predict what is going to happen next. And Alan McDermott is a master at doing that.
