

## Synopsis

Although contemporaries, Carl Jung and Wilhelm Reich, two giants in the field of psychoanalysis, never met. What might have happened if they had is the inspiration behind this detailed investigation. Jung and Reich succinctly outlines each man's personality and compares their lives and their work, emphasizing points of convergence between them. John Conger provocatively puts Jung's mystical and psychological approach to spiritual disciplines on the same plane as Reich's controversial theories of "genitality" and character armor. The result is a heady "what if?" bound to intrigue and inspire readers.

## Book Information

Paperback: 264 pages

Publisher: North Atlantic Books; 2nd Revised ed. edition (January 12, 2005)

Language: English

ISBN-10: 1556435444

ISBN-13: 978-1556435447

Product Dimensions: 6 x 0.6 x 9 inches

Average Customer Review: 4.0 out of 5 stars [See all reviews](#) (3 customer reviews)

Best Sellers Rank: #465,736 in Books (See Top 100 in Books) #197 in [Books > Medical Books > Psychology > Movements > Jungian](#) #238 in [Books > Medical Books > Psychology > History](#) #270 in [Books > Health, Fitness & Dieting > Psychology & Counseling > History](#)

## Customer Reviews

The chapter the bears the book's title is excellent and interesting. I found the rest less valuable but that may say more about my limitations than the material. The idea carried by the title and that key chapter seems to me brilliant.

OMG! This book is rich w/information comparing Jung & Reich. I've read many books written by both. There is info about Jung & Reich's more personal individual difficulties.....which always makes those we admire or put on a pedestal, more real because we understand, then, how they are simply human, like us, with their own life challenges & personal demons. I have not finished this book as of yet, but what I've read so far has my full attention!

These is and excelent edition, I'm very pleased with the font size. I originally would have preferred

to buy a Kindle version of these book but It's not available yet (there is almost nothing of the junguian literature in Kindle format, lets hope keeps up with that soon
