# Lady 52 (A Jack Daniels/Nicholas Colt Novel)

## Synopsis

What do Lt. Jacqueline "Jack" Daniels and private investigator Nicholas Colt have in common? Billiards, bourbon, bad jokes... And murder. Several, in fact. A homeless woman's remains are found near Chicago twenty-six years after she disappeared. Her daughter--now retired in Florida--suspects foul play, and she hires Colt to fly up there and check it out. A prominent Chicago physician is slain outside a convenience store, horribly mutilated. A senseless street killing? A robbery gone wrong? Or something much worse? As the homicide cases and those involved converge, it quickly becomes apparent that Jack Daniels and Nicholas Colt are in for the most challenging--and deadly--time of their lives. Filled with humor, suspense, and mystery, LADY 52 is sure to satisfy longtime Daniels and Colt fans, and is a perfect introduction to both series. It's approximately 250 pages long. Konrath and Hardin previously collaborated on the Daniels/Colt short story RACKED. Suggested reading order for the Nicholas Colt series: COLT LADY 52 POCKET-47 CROSS CUTS SNUFF TAG 9 KEY DEATH BLOOD TATTOO SYCAMORE BLUFF THE JACK REACHER FILES: FUGITIVE THE JACK REACHER FILES: VELOCITY (Novella) THE BLOOD NOTEBOOKS Note: Although published at a later date, the events in COLT and LADY 52 precede those in Jude Hardin's debut thriller POCKET-47. All of the books listed work as stand-alone thrillers, depending on reader preference. Nicholas Colt also appears in several short stories, including the one titled RATTLED and the one titled RACKED. ## Customer Reviews

If you haven't read any of Konrath's Lt. Jack Daniels' series or Hardin's PI Colt series, you are missing out. I love the humor, the developed characters and the sticky situations they always find themselves in. The chance encounter that Daniels and Colt would meet up once again was told very well in Lady 52. They put you right there in the scenes of action, crisp dialogue and of course shooting. I look forward to the next collaboration from these two authors.

Lady 52 is a modern day crime mystery with lots of twists and turns. Jack Daniels is a fashion conscious police Lieutenant. She once again meets up with Florida PI Nicholas Colt a very laid back back guy. He is in town to investigate a cold case for a client whose homeless Mother died in a house fire many years ago, the client thinks her Mother was murdered and she is paying Colt to find evidence of it . The story is scary, witty, funny and tragic as they each pursue their separate cases and become entangled in murder and mayhem. I found this book hard to put down. I,m looking for ward to the next Jack Daniels book

Fast-moving and entrancing story. A real page-turner that will have you glued to the book until you have reached the end. This book mixes cartel initiation with local murders, one an old case from over 25 years earlier, the other of a prominent physician. Except for the oldest case, all murders are linked by the removal of the victim's face. Literally. Yet mode of killing remains inconsistent between the cases. Could they be linked? But, if so, what of the discrepancies? Will Jack and her partner be able to solve this one? Will they be able to assist the Florida investigator in finding how the cold case victim met her demise? This book is fascinating! And you'll never suspect how it is all resolved. If you enjoy mystery filled with suspense, you'll find this book landing on your "favorites" list.

Overworked, savvy, fashion-conscious big city police lieutenant "Jack" Daniels meets up once again with laid-back Florida PI Nicholas Colt when Colt comes to town to check out clues on the death of a client's mother many years ago. The story is witty, scary, funny and tragic as Daniels and Colt pursue their separate cases and become entangled in murder and mayhem. You never know when you turn the page if you'll be laughing or crying. I found it hard to put the book down.

I've read most of the Jack Daniels novels and I've never been disappointed. I expect nothing but the best from the writer and I've loved everyone of these exciting books. Great mix of action and humor and surprises. I recommend to all readers pick one up and treat yourself to a great time of relaxed reading. Keep on writing great things. One suggestion I have, throw in a Couple of Marines for some added action and adventure....you can't go wrong with the Corp

My first Hardin/Konrath novel. It had it all--romance, humor, intrigue--and kept me on the edge of my seat not knowing what could possibly happen next. The plot has lots of twists and turns. Jack, Harry and Herb are also included. This one is a lot of fun while solving the case. You'll never guess the ending!

Chicago PD & Nick Colt team up to solve a weird investigation. Colt falls in love with Laurie who is the second love of his life. Colt is hired to find the murderer of a dead woman from 26 years ago & heads to Chicago. He meets two detectives & one case leads to another.

I've read most of the books in this series & enjoyed them all. This one was co-written with a character from Jack's past. Many of the books are like this. It's told from 3 perspectives. Sometimes I had to look back to see which character was telling the story; but it was still enjoyable.
