## Synopsis

ALL IT TAKES IS A YEAR TO BUILD AN EMPIREâ |Dominic Collazo has taken the infamous Giordano crime family to even greater heights in the year since he became the boss. The Family is making more money than ever, and theyâre doing it quietly. Things couldnât be better for the young kingpin. ALL IT TAKES IS LOVE TO FEEL LIKE YOUâRE ON TOP OF THE WORLDâ |Alannah Sullivan may not have many friends, but when youâre lucky enough to spend your life with your soulmate, you feel untouchable. When the love of your life is the most powerful man in the city, you roll with the punches and proudly stand by his side. ALL IT TAKES IS BETRAYAL FOR IT ALL TO COME CRASHING DOWN AROUND YOUâ |Thereâs a traitor in The Family. Someone who knows everything. Someone whoâs sabotaging business and bringing heat to Dominic that can only end in his fall from power. And everyone knows thereâs only one way for a mob bossâ reign to end. ALL IT TAKES IS A MOB KING WHOâS WILLING TO DIE TO PROTECT HIS QUEENâ |Dominic would never let anything happen to Alannah, no matter how dangerous things become, or how guilty everyone around him looks. Even if everyone he ever trusted turns against him and he has to burn it all down to save her. Heâll let it burn, even if saving her means heâll be consumed by the blaze.

## Customer Reviews

Reviewed by Sharon ThÃ©rÃ©seltâ™s not often that KFF review a book which hasnâ™t been offered to us as an ARC and weâ™re not exactly proud to admit it, either. Thereâ™s always one in hand and more often than not, with a deadline. Saying that, we couldnâ™t be more grateful to those who choose us to give our honest opinion. Seeing that there are so many authors' works to discover and since one of our fave genres is Mafia romance, we one-clicked the first book, Kingpin. We went in blind, we were enthralled, we loved it! WSâ™s storytelling modus operandi, his writing talent to construe characters that toyed with our emotions made us sit back and think. WOW, this guy knows what he's doing! And now we have the finale of an epic romance. Firstly, I have to say how much I appreciated the author mentioning all the characters in the first chapter. Trying to remember who is who in a sequel can at times be a tad arduous. And then I was thrown into the thick of Alannah Sullivanâ™s problems. Defending the love of her life causes quite a dispute; her way of dealing with it certainly earned my respect. This sassy opinionated gal is not alone regarding her manâ™s charms. You can imagine who else is!âœFuhgeddaboutit. Unfortunately, I know exactly what you mean.â•My first thought was would Dominic Collazo be able to live up to his reputation. Kings come and go, donâ™t they? I thought that maybe heâ™d gone a bit soft on me; however, I couldnâ™t have been more mistaken. Heâ™s not the exactly same person I got to know, though. And seeing this slight change in him is quite understandable as he's got other things on his mind. We were given a hint of things to come in the cliffy in Kingpin which figuratively speaking, made me throw a few choice words at the author!
