Judgment Cometh: (And That Right Soon) (Joe Dillard Series Book 8)

Synopsis

A Supreme Court Justice is found cut into pieces in the back of a pick-up truck. Three other judges have already gone missing. In the eighth installment of Scott Pratt's bestselling Joe Dillard Series, Dillard is hired to represent the man driving the pick-up. As Dillard delves into the case, he comes to believe his client is not guilty. But who is? Who has been kidnapping and killing judges all over the state of Tennessee? The search for that answer leads Dillard and his friend, Sheriff Leon Bates, down a path so dark and so dangerous to a villain so evil, it will change both Joe and Leon forever -- if they manage to survive.
