Racial Domination, Racial Progress: The Sociology Of Race In America

Synopsis

Racial Domination, Racial Progress: The Sociology of Race in America looks at race in a clear and accessible way, allowing students to understand how racial domination and progress work in all aspects of society. Examining how race is not a matter of separate entities but of systems of social relations, this text unpacks how race works in the political, economic, residential, legal, educational, aesthetic, associational, and intimate fields of social life. Racial Domination, Racial Progress is a work of uncompromising intersectionality, which refuses to artificially separate race and ethnicity from class and gender, while, at the same time, never losing sight of race as its primary focus. The authors seek to connect with their readers in a way that combines disciplined reasoning with a sense of engagement and passion, conveying sophisticated ideas in a clear and compelling fashion.

Book Information

Paperback: 688 pages

Publisher: McGraw-Hill Education; 1 edition (October 8, 2009)

Language: English

ISBN-10: 0072970510

ISBN-13: 978-0072970517

Customer Reviews

Matthew Desmond is an assistant professor of sociology and social studies at Harvard University. He is the author of *Evicted* (forthcoming from Crown publishing), *On the Fireline: Living and Dying with Wildland Firefighters* (2007), and *The Racial Order* (co-authored with Mustafa Emirbayer, 2015). Mustafa Emirbayer is professor of sociology at the University of Wisconsin Madison. A past chair of the ASA Theory Section and winner of the Lewis Coser Award for Theoretical Agenda-Setting in Sociology, Emirbayer's research includes historical studies on the teaching of morality and citizenship in American public schools and theoretical studies on race, social networks, culture, agency, collective emotions, the public sphere and civil society, revolutions and social

movements, organizations, and democracy. He is the co-author (with Matthew Desmond) of *The Racial Order* (2015).
