# Stone Cold (The Alex Stone Thriller Series Book 2)

## Synopsis

Is it ever ok to cross the line? Just how far would you go to protect those you love? When Public defender Alex Stone wins an acquittal for her client, Dwayne Reed, accused of murdering a fellow drug dealer, Alex fears that Reed may murder an entire family in retribution for damaging testimony at his trial. If that weren't enough, the man she put it on the line for in court threatens to attack her lover, Dr. Bonnie Long. With surprising twists and gut-wrenching suspense, this riveting story will keep you on the edge of the precipice as you see just how far Alex will go to protect the innocent. Alex Stone is running out of time to stop what she started in the courtroom â " cold-blooded murder. Don't get left out in the cold! Buy your copy of Stone Cold today and enter the dark and dangerous world of Alex Stone. If you enjoy the courtroom suspense you get from authors like John Grisham, you'll love Joel Goldman's books. Buy Stone Cold now and get started with the first book in the riveting Alex Stone Thriller Series. Don't miss out on the thrills with brilliant, sexy trial attorney Lou Mason in the five book thriller series that includes: Motion to Kill, The Last Witness, Cold Truth, Deadlocked, and Final Judgment. The Jack Davis Thriller Series delivers heart-stopping, page-turning action with relentless suspense. Get your copies of Shake Down, The Dead Man, and No Way Out today!

## Customer Reviews

Joel Goldman has already written two really good book series featuring characters I love reading about, Jack Davis ex FBI and Lawyer Lou Mason, Stone Cold features another Lawyer in Alex Stone, she's a Public Defender with a scary client, this book has a good mix of new characters and familiar characters that I'm looking forward to reading more of, if this is your first Joel Goldman book I recommend you also read the Jack Davis and Lou Mason series, they are all excellent reads and will not disappoint!!

This kept me interested until the end. A real thriller and mystery. Part of the reason chose book because it is a cross between John Grisham and James Patterson authors that I have read extensively. Held true to both authors.

Didn't finish it. Tedious, unrealistic with a boring lead character. Reading about a lesbian couple's relationship and how they deal with adversity was torture. Maybe twenty years ago it would have been shocking but today it's mundane. If you like courtroom drama there are better stories to read by better authors.

Story line okay! Language unreal! Gay issue does not make a good story and whom ever edited this book needs to go back to school. Spelling errors, grammar errors. A most unpleasant read. Would never buy another one in that series!J. Fisher

This book is a great read. Very John grisham like. Highly recommend reading this book to every Grishom fan out there.

I am definitely not reading any more Joel Goldman books. It's not that he isn't a good writer; he writes interestingly enough, but I cannot handle the language! I read several pages before tossing it, removing it from my Kindle. There are plenty of good writers out there who manage to write intriguing, exciting, successful stories without dropping the F-bomb several times per page. I shall stick with them. I don't care if Goldman's rhetoric is closer to reality or not . . . I just don't care to

have that language thrown at me. My family, friends, and I do not speak in those terms, and find it very offensive; in the real world of criminals, I'm sure the language in Goldman's books is totally how they speak. Any who do not get turned off from a storyline with such language will find this book interesting, I assume. I leave it to them.

This was a very good thriller. It had me on the edge of my seat all the way. Never a slow part. Unfortunately the ending left me very wanting. (Spoiler alert) we never know what really happened. Was it self defense or not? Who shot the gun into ceiling. Was Gloria lying? Not fair Joel.

This book was OK but not great. The author makes too big a deal over the characters being lesbians. They are always hugging, getting emotional, etc. They are 150% dedicated to each other and if you didn't notice they are 150% dedicated to each other and by the way, they really are dedicated to each other. If it were a heterosexual couple you'd ask "What's wrong with these people". I found it a bit tiresome. The plot is also OK and it explores some ethics questions that have been explored many times before.
