The Four-Night Run

Synopsis

J.D. Scrbacek has just won the biggest trial of his career, but even as he crows to the press, his entire life blows sky-high. Was the bomb meant for him, or for his mobster client? In this seaside casino town where the tables run hot and the tensions run high, the odds say the attorney is a marked man. Alone and on the run, Scrbacek flees into the city's forgotten underbelly, a ruined corridor called Crapstown, where he is forced to confront the ghosts of his past, his present, and his future. Somewhere in the sordid stream of his own existence lie the answers he needs. But in order to emerge from the depths of Crapstown, Scrbacek must argue for his life before a jury of the forgotten and the damned. Is he lawyer enough to save his own skin? From the bestselling author of *The Barkeep* comes a raucous tale of reckoning, racketeering, and revenge.

Customer Reviews

William Lashner continues to amaze. He has demonstrated the multiple facets of his literary talent from the beginning of his career --- first with his always entertaining, constantly evolving Victor Carl series, followed by his genre-jumping stand-alone novels. None of his previous works, though, will quite prepare you for *THE FOUR-NIGHT RUN*, a darkly nightmarish brutal romp you will never

forget. The book is set in Casinoland, a semi-mythical New Jersey city where the bright lights of casinos hold sway. It is fertile ground for the criminal defense legal practice of J.D. (love the initials) Scrbacek (yes, it plays havoc with your spell check program, not to mention ancestry.com). Scrbacek has just won an acquittal for a seemingly indefensible client named Caleb Breest, who had been charged with murder. On the evening of the verdict, Scrbacek is looking forward to nothing more or less than a good dinner, fine spirits and some adult conversation in its many forms. What he gets is his world turned upside down. Within hours of being both heralded and cursed for his victory, Scrbacek finds that he is on the run, with his home and office burned down, and his automobile exploded. He is also suffering from a serious gunshot wound. Worse, he inexplicably finds himself blamed for the very occurrences that have so quickly destroyed his life, and is pursued by both the legal and criminal elements of the city. Scrbacek has few, if any, options. When faced with the choice of going to the lights or the darkness, he eschews the glitter of Casinoland and embraces the gritty darkness of Crapstown, the ruined, deserted part of the city that has become all but forgotten by everyone except its impoverished citizens.
