When Dead In Greece (Jack Noble #5)

Synopsis

A ghost on the Greek island of Crete...Jack Noble is grounded, recovering from his injuries and a near-death experience. The small town isn't so bad. An old guy named Esau has provided him with a place to stay. The food's good. And Isadora, Esau's niece, is easy on the eyes. But tranquility is interrupted when a group of local criminals threatens Esau, and kidnaps his niece. Despite his weakened state, Jack risks it all to save the beautiful woman he hardly knows, and settle the debt that Esau signed in blood. Fans of Tom Clancy, Lee Child's Jack Reacher, Vince Flynn's Mitch Rapp, and Robert Ludlum's Jason Bourne will enjoy this fast-paced international thriller!

Customer Reviews

Jack and Alik are awaiting word from Frank so they will be able to leave Palalochora, Greece. They seem to be fairly comfortable staying in a room above a café owned by Esau Rokos. Knowing Jack as we do, he does show an interest in Esau's niece, Isadora. Some unsavory characters make their appearance and demand money from Esau. The fight is on as we knew it would be with Jack! He still is not completely healed from previous injuries but is still able to hold his own. And, as expected, Jack will not let the demands of these thugs go without getting to the bottom of it. Action on multiple fronts exists in this one as well as some gore. Jack and Alik make a good team and usually win by more than a nose! And, the term "by a nose" comes into play more than once in this book. Sometimes in life things are not as they appear and this certainly holds true in this one. All in all, an excellent read for me. I appreciated the addition of Isadora as a young lady that catches the eye of Jack. Most highly recommended.

A faint sense of déjà vu as the author expands and explains some of the circumstances following Jack Noble's near death and escape experience in a Russian prison. The same page-turning, tightly-plotted feeling as with all of the other Jack Noble books. My enthusiastic and unreserved recommendation for another great read. As a personal note, the book came at the perfect time -- the day of the November mid-term election when there is nothing but political nonsense in the media and the channels are saturated with the type of corruption, incompetence, and unconstitutional criminality that creates havoc in Noble's world.

I have read a few other Jack Noble books. This one didn't have "Bear" - but he had another partner (not necessarily best friends, though). The story line moved along, with lots of action. Jack was being his rogue self, following his gut instead of orders - his own interpretation of right/wrong - regardless of the danger. The story had a definite wrap-up, but just when you thought it was over, a new twist was dropped at the very end. And, of course, this pushes the reader to obtain the next book. For me, that is a negative.

This is a different read by L.T. Ryan in that the pace is slower, more thoughtful in planning next moves and less intense. I didn't have any trouble sitting down and reading the entire book in one afternoon but that's how Lee's books read. You just can't put one down. Personally I like the action packed thriller books a bit more but what "When Dead in Greece" gives is the fast pace saga a breather. This book depicts Jack as a normal human being, someone capable of getting hurt while

doing good deeds, someone who needs to recuperate just like everyone else when injured. He had a heck of a ride getting all those injuries. Of course Jack finds trouble even when he's laying low. He doesn't look for it, it just finds him and his innate sense of right or wrong kicks in and he gets sucked into someone else's dilemma as a result. Pick it up, it's a good read.

Jack Noble is the guy who will do anything to achieve his goal. In this case where he is recuperating from his adventures in Russia, in a little village in Greece he finds it unacceptable how the waitress in the hotel is treated by some obscure guys. In spite of being undercover he gets involved and takes the necessary beatings. There are some big surprises for him as things do not turn out the way he thought but in the end all is good. A very entertaining book.

I find the Jack Noble series to be every bit as exiting as say the Reacher or Rapp series books. These books are a quick read and full of action. But I won't spoil the plot. I truly dislike that. I will say he has a great sidekick character "Bear" and I really like that character as well. Also these titles are a bargain. I am already moving into numbers 6-9 now that I have buzzed through the first 5.

there is no depth to the characters. The author has some great ideas, but fails to deliver to any depth. This is like most of his other books and maybe because they were once episodes. They tend to go from one thing to another. I would suggest he rewrite the books, give them some depth and take out the episode BS. He would then have, hopefully, a solid book. Definitely give bear a bit of depth. He is not in this book, but that really bugged me in the other books.

Even while recovering and supposed to be hiding, Jack feels he needs to rescue a kidnapped woman. Jack is dead according to the world, but still manages to get into trouble. This is a fast-paced, action-filled, suspense thriller with surprises in store for you. I hope you enjoy this book as much as I did. Happy reading!
