# A Treasury Of Hadith: A Commentary On Nawawi's Selection Of Prophetic Traditions (Treasury In Islamic Thought And Civilization)

## Synopsis

Imam Nawawi's collection of forty two hadith brings together some of the most important and pivotal Prophetic traditions. Each tradition encapsulates a great rule of the religion of Islam, described by Islamic religious scholars as an "axis" in Islam. The commentary of the great hadith master Shaykh al-Islam Ibn Daqiq al-'Id is simple but erudite. Mokrane Guezzou is a well-known translator of over ten works including the Qur'an commentary Wahidi's Asbab al-Nuzul. Ibn Daqiq al-'Id (d.1302) is accounted as one of Islam's great scholars in the fundamentals of Islamic law and belief. Imam Nawawi (1233-77) was an authority on hadith and a biographer, lexicologist, and Sufi.

## Book Information

Series: Treasury in Islamic Thought and Civilization (Book 1)

## Customer Reviews

It is not difficult to find editions of Imam Nawawi's Forty Hadiths. What this little book offers is excellent translation by a distinguished translator of classical texts; readable voweled Arabic texts of the hadiths; and an excellent classical commentary by a 12th-century Shafi'i mujtahid imam. Plus it fits in your pocket. This is an excellent antidote to amateur commentaries like Zarabozo's, and a nice complement to Abdassamad Clarke's "Complete Forty Hadith", which includes Imam Nawawi's own commentary.

Very pleased with this little book.

Thanks

Eloquent, concise, invaluable. A treasury of wisdom into the consciousness of Allah's Messenger and how it codified the sciences of Islam.
