In this book Mary Magdalene offers her perspective in many areas in regard to the spiritual, emotional and physical challenges and opportunities that we experience as humans. Each channeled message is followed by Mercedes Kirkel's interpretation, giving us deeper insight into the meaning and significance that underlies Mary's message. Mary addresses a variety of subjects ranging from the divine feminine to the purpose and value of embracing our emotions. Conveying heartfelt compassion and acceptance with a forthright dignity, Mary's messages inspire me toward lovingly accepting myself and others more deeply. I can see why Mary chose Mercedes as a conduit for her messages. She communicates with an incisive clarity that illuminates the gems of wisdom that Mary offers, while often pointing to a cultural context that helps us understand our roots. This book is a treasure trove of deep spiritual wisdom conveying practical insights and tools that support our spiritual and emotional growth, offering new inspiration with every chapter.

This simple but very beautiful book, is not the only one channelled from Mary Magdalene, but the latest and the best one up to now. 2000 years ago, Mary Magdalene was with Jesus in a very important mission but was not acknowledged at that time and almost for all the years up to now.

After 13,000 years of DIVINE MASCULINE ENERGIES, the DIVINE FEMININE ENERGIES are NOW given to us. This is HER TIME... and Mary Magdalene, in this channel is giving us THE LATEST AND THE BEST to help us KNOW WHO WE ARE AND WHAT TO DO... Read and discover the main causes of our problems and the simple solutions to all of them. She is precise, simple and all LOVING... ENTER THE RIVER OF LOVE with HER NOW. The channeller and writer, Mercedes Kirkel does also a magnificent work by lovingly sharing of her own experiences.

Mary Magdalenes' messages pierce directly into the heart through her transmissions in the book, Mary Magdalene Beckons: Join the River of Love. Mary comes to teach us that love is a path to God. It's a journey of cultivating, expanding and opening our feeling heart which is the Feminine aspect of our spirit. Mary's tells us that we are being called to strengthen the Feminine path to God as a compliment to the Masculine path to God. Mary shares..."Everyone must develop both sides of their relationship to God, their Feminine side of love and their Masculine side of consciousness. They are like two sides of a coin, two faces of the same Being". She goes on to say... "You can think of these as two paths to God: one is the path of love, and one is the path of consciousness. Both paths eventually lead to each other, because in truth they aren't separate". Now is the time where we are being called to attain balance and union with the Feminine and Masculine aspects of spirit so that we may progress to the next level of spiritual development. It is a call to Divinity through Unity in the Oneness with God and all Beings. Mary's channeled messages begin each chapter and are followed by Mercedes Kirkel's thoughtful commentary. Mercedes's insights, through her life experiences shine a light on Mary's teaching in a way that helps the heart expand and resonate more deeply into the truth of the message. The book can be summed up best in Mary's own words: "Open your heart, feel from your heart, live from your heart. Let your mind be in service to your heart. It is really that simple, but for most of you, it is not that easy. That is why I have talked so much about what you must do to be able to do this." Mary and Mercedes, as our teachers in Mary Magdalene Beckons: Join the River of Love, will lead you on a transformational journey... "to your full union with undifferentiated Source, which is what all beings truly desire."

The author of this book has spent years studying and practicing metaphysics and not long ago received twenty-five messages from Mary Magdalene. There are many channels who say they receive messages from Mother Mary and I always presumed they meant Mary Magdalene for in the agnostic gospels two speak of Mary Magdalene being at the right hand of Jesus and after his death, interpreted his teachings for the disciples. In this instance, Spirit has identified itself as Mary

Magdalene and her channeled messages are beautiful, profound and applicable for this day and age. In each chapter after Mary's message, the author enlarges on it to help the reader understand its fullness, based on her understanding and in some instances, she added metaphysical tools that she has utilized over the years. Although this book perhaps is more suitable for those who have studied and practiced metaphysics, the messages are simple enough that they are easily understood for they speak much about love in all its aspects, and the only part that might be somewhat confusing is when the messages speak of the Divine Feminine and the Divine Masculine. With these reflections in mind, I recommend this book as enlightening, beautiful and uplifting for these trying times.

In Mary Magdalene Beckons, Mercedes Kinkel not only imparts wisdom of the the Divine feminine, but practical and detailed processes for understanding this wisdom. Whether a beginner into the metaphysics of Being or one who has long been a follower, this book will be a source of comfort and sacred partnership on one's individual journey to Self. The reader is the dear one, the beloved, gently led along a map of consciousness, perhaps new realities, and always feeling enveloped by the greatest unconditional and Divine Love. Mary Magdalene Beckons~Join the River of Love is pure and honest in its telling, always sacred, always authentic.
