THE SUPREME WISDOM - Solution To The So-called NEGROES Problem VOL. 1

Synopsis

If TRANSFORMATION is the yard-stick by which the strength of religious Truth should be measured, let us examine and see what sort of change the Message of the Honorable ELIJAH MUHAMMAD has brought about in his followers during the short while he has been teaching here in America...and thereby judge him according to the RESULTS of his teachings among us.

Customer Reviews

Me having Message To The Blackman, Theology of Time and How to Eat To Live saw it fitting to get this book also. With the Nation of Islam merging with Scientology It will be wise to have these books to see the true foundation on which made this group flourish in the past.

Elijah Muhammad (1897-1975; born as Elijah Robert Poole) led the Nation of Islam from 1934 until his death. This 1957 book contains a topical selection of brief teachings of his on a wide variety of subjects. Here are some quotations:"I do not make mistakes in what I write pertaining to these two races---black and white---and I do not need to study the theory of evolution to learn about them." (Pg. 21)"Get an equal education, but stay to yourselves today. It is too late in the evening to try mixing the races." (Pg. 22)"The present Brotherhood of Islam is typical of the life in the Hereafter.

The only difference is that the Brotherhood in the Hereafter will enjoy the spirit of gladness and happiness forever in the presence of Allah." (Pg. 25)"Many people have been deceived by the arch deceiver in regards to the Hereafter. They think the Hereafter is a life of spirits (spooks) up somewhere in the sky, while it is only on the earth, and you won't change to any spirit beings. The life in the hereafter is only a continuation of the present life." (Pg. 26)"The Arabs are alleged to have slaves. The Arabs will answer for themselves, but I do know that no Muslim will enslave a Muslim. All Muslims are the brothers of another Muslim." (Pg. 29)"Know that Jesus was only a prophet and cannot hear you pray any more than Moses of any other dead prophet. Allah alone can hear your prayers and answer them." (Pg. 34)"The Original Man, Allah has declared, is none other than the black man. He is the first and the last, and maker and owner of the universe; from him come all--brown, yellow, red and white. By using a special method of birth control law, the black man was able to produce the white race." (Pg. 38)

wanted to know more about Elijah Muhammad and the problems of the negroe from the early years. I just wanted to enlighten myself about things that went on before my time even now to this very day. I wonder why the line is still there between us that still separates us.

the book is a reprint of the 1957 first edition, which is great for showing the original pagination and layout, graphics, font, but it is very low resolution, and the ink is far too light. Still valuable and well priced.

The Most Honorable Elijah Muhammad gives short, but detailed knowledge on a variety of topics. The most surprising for myself is when he states that the Mother Ship can be seen two days out of the week. Volumes 1 & 2 contain some repeated information, but review never hurt anyone. Check it out. Find out who you are, and also who you are not! Not a book for those who can't handle blatant truth. I leave with the words of peace--As Sallam A'laikum. All praises due to the Most High.

i would recommend this to college students that are taking black history classes it goes into dept a bit more

The print is very very small and faded, when i called to complain about the print being faded, i was told there is nothing i could do about it..i am furious about this book a waste of money.
