Governing California In The Twenty-First Century (Fifth Edition)

Synopsis

Get students thinking critically about California government. *Governing California in the Twenty-First Century, Fifth Edition*, introduces students to the major institutions and processes of California state politics. Incorporating several of the successful features of *We the People*, the text emphasizes critical thinking and the relevance of state government to students' everyday lives. *Governing California* can be used with any Norton American government textbook or on its own.

Customer Reviews

This book was helpful for my government class, it was fairly clear, well-written, and not TOO dry. I was able to get through it without becoming bored and learned some interesting facts. An overall good book if you need to learn about how and why California is governed.

I've used to rent several books for school now, and I must say, it's Amazing! I love it. It's convenient, fast, and affordable. I brag about it to everyone I can. Thanks again. -Ron M.

No complaints. Exactly how it was described. Fast shipping.

excellent
