Get Your Ex BACK In 30 Days Or Less! The Complete Step By Step Plan To Get Your Ex Back For Good

Synopsis

Do You Want to Know The Secret to Get Your Ex Back? Read On...
Your brain is screaming at you to fix things, change things, make him talk to you – anything you can think of to make your ex come back to you. I have bad news: everything that your mind is telling you to do right now is just going to make things much worse. I also have some GOOD NEWS: there is a way to win back your ex and it works 99 out of every 100 times. Follow the advice in this book and I guarantee you'll have him back in your life and back in your heart within a month.
I've Spent My Career Analyzing the Dating Game, and Now I'm Here to Show YOU How to GET YOUR EX BACK
Hi, I'm Eric Monroe. I'm a relationship expert, it's what I do for a living. I've spent my career analyzing relationships to work out what makes people tick and I've helped countless women find long-lasting, passionate relationships. I've worked with so many women who've lost the loves of their lives, whether through problems that were allowed to fester or a mistake they regretted. I've written this book because I want to make sure that every strong relationship has a chance to be rekindled.
Give Me ONE WEEK and I'll Make You TWICE as Likely To Get Your Ex Back
Give me one month and I'll have the two of you staring into each other's eyes with love and adoration. By the time you put this guide into practice, you'll understand exactly why it's the ONLY way to win your ex back. In this book, we'll cover:
How to handle the heartbreak of those painful first few days.
How to heal your own heart and come out better, stronger and more irresistible.
How to get back in contact – and make him desperate to get back into your life and heart.
And much, MUCH more.
If You Don't Read This Guide, You Risk Losing Your Man FOREVER
This method has been proven to work – a hundred times over! I'm going to show you how to resist what your heart and mind are telling you to do and take the route that REALLY WILL WORK instead. All it takes is a few easy steps and you'll start to see it working within a few short days – and all for less than the cost of a chick flick and a carton of ice cream.
100% Money-Back Guarantee
If you follow the steps in this guide and you find they're not for you, simply click one button within 7 days and will return 100% of your money. That's how sure I am that I have the answer to your problem – I CAN help you win your ex's heart again. Just scroll up now and click the BUY NOW button to start WINNING YOUR EX BACK, today!

Customer Reviews

I actually got my ex back and ended up marrying her, so this book sparked my curiosity. First of all, I love the picture on the cover. Very humorous. I like the book for its steps | and they sound so true. And this book can even be helpful for those who aren't breaking up but just had a major argument or conflict, or if you're in that stage where you are deciding if you want to break up. Basic techniques like picking up your life and silence when needed sounded plausible and useful.

This is an interesting book in that it treats love and relationship like physical objects. You can manipulate them however it suits you, essentially a sort of mental game. But relationships are a two-way street. Allowing oneself time and space to health oneself and regroup is always a good idea. . . . The author suggests many tricks and devices a woman could employ to get her Ex back. As much as I found them intriguing, I was also turned off by them. This is purely a subjective statement, of course. Any two people who broke up from a loving relationship and are trying to rekindle the relationship may find them useful however. I liked the practical ideas to help the grieving person transition out of their circumstance so that they can become strong and go on with their lives. But to use the same ideas as a device to win over an Ex lover I thought was a bit manipulating and cunning. . . . It's a well-written book and it's a fast-paced and engaging read. You can go through it quickly and find out whether or not the ideas ring true for you.

It's a good read to help you in the future, but my advice is when they leave take it as a lesson. It's not always meant for anyone to stay. I do believe in the no contact rule. They always come back, but why should you let them. Self love and self respect is what you need. If they didn't see the value in you when they were there, what makes you think they would change their views. We have this thing called intuition. Use it.

I would definitely recommend this book to anyone struggling to maintain or get back to a relationship they have lost. It has proven steps and advice that can help you get your ex back. It is a great read, easy to follow, and full of good information.

When it comes to relations, all opinions are subjective. Everyone has his own life experience, and if you read something in this book that you have not seen in your life... Or in case it does not fit your assumptions how the things are working out there in the world of love and passion... Or in case the author just has described the situations that are not similar to the one that you have... you may think the author is wrong. However, I think he gives lots of great tips and options here. Some of them you won't ever apply because they won't fit your situation, as I said. There are thousands of combinations, and one book simply cannot be the remedy for all lovers. In fact, you need to try, and perhaps you will find inside this book exactly what you need to return your ex back.

How many times have I lost my lover and then tried desperate him return! And how many mistakes I was did ...And if I would have done just the opposite, that as it is written in this book, I would be able to return the beloved. The author makes the first to analyze the reasons for the gap. But after that he gives a very unusual but effective advices on how to return a lost love. I have no relationship with anyone else at this time. But when will that I will know how I best to behave. I advise you to read this book to every woman. You should know what to do right and what is not.

The advice in this book may not work hundred percent of the time but it offers insightful and practical advice to rekindle a relationship that has ended for a variety of reasons. The No Contact rule is simple but gives both parties a chance to step back and think about what went wrong and what is still right about the relationship. More importantly, it gives your ex the opportunity to miss you. Not all relationships are worth saving but if you think yours is, this book has some good advice.

I just bought this book for my friend who broke up with his girl, however we both read this together.

this book contains very informative facts about relationships which are relatable to my life, it is not that you can get your ex 100% back, but you can gain much knowledge on how to manage current relationship too. i would recommend this book for anyone who broke up with their mates and also to people who are in relationships to know how to be happy with each other. overall a great book.
