Synopsis

To Date a Man, You Must Understand a Man: The Keys to Catch a Great Guy Finally, The JEWEL and the companion book to compliment all of my books! This dating advice for women book gives you the blueprint to the male mind so YOU can get what you want from a man and NOT the other way around. Where is the manual to teach women how to deal with men? Where is the dating book to communicate with a man and get one's desires met? And where is the course instructing women on how to keep a man in love with them? Right Here! Don't Believe? Read My Reviews! Guys get away with tons of stuff and YOU allow them to. This book will strip a man of his power and render him helpless UNTIL you have gained what you desire through his actions. And then, and ONLY then, will we "power him up" again. Hi I'm Gregg. I'm a top dating coach out of Boston and this is what I am offering you: Buy this book and there is a good chance you can talk privately with me. How many Authors offer this? Everyone's story is unique. You are unique. Men are unique. But your situation is not. I have seen it and fixed it a thousand times. So if we can talk directly, we can improve your situation. This is what I do: I take as many emails as I can during my week. So it's possible I can talk with you directly. But please, don't beat me up if I can't get to you or I arrive too late. My email is at the back of this book. I enjoy working with my readers and my reviews prove this. This book is your core read to understand how we think, my other top dating books are your tools, and I am your confidence builder. In Section 1, We Learn His Blueprint: The conveyor belt to manhood (The influences of our upbringing) How men love in different ways and how these affect YOU How men determine a keeper The 3 things men require (they are not what you think) The 5 mistakes women often make and don't realize it (this alone will change your life) Doesn't it drive you nuts how a man will show his soft underbelly to his male friends? He won't show you crap when it comes to his emotions but he spills his feelings to his buds. This is the contempt that many men hold over women. I will teach you "Man Mode" to counter this contempt. Man mode is how you communicate to a man just like his friends do. It's simple, MAGICAL, and he won't even know you are doing it! In Section 2, I Teach: How and why you need to control your emotions Man Mode How to become a higher woman of value (experiences-the more the better) Baggage handling (both his and yours) My formula for attraction (complete this first, then find a guy) Confidence building done my way (You have never heard of this trick!) Some men are just idiots and should be DUMPED Power dating and why you need to do this Is he the one? And the plan to test him (this is fun) Ladies, DO NOT PASS UP THIS BOOK! Hit the buy right now button in the upper right and let's get to work. Read the sequel to this book! Manimals! Understanding Different Types of Men and How to Date Them It's powerful, funny, and interactive. About The Author Gregg Michaelson, Boston's top

I actually just got out of an 11yr relationship. And the stuff you've written is a huge reason my relationship lasted as long as it did, which makes me feel better. When I started dating again...well...11yrs is a long time to be out of the game. Things have drastically changed. I started the online dating thing, but noticed a trend where guys would just look at my pics without reading my profile. Many seemed more predator than potential mate. I'm not yet ready to find a new life partner. But I do not wish to be some boy's conquest either. And I've noticed things have gone all topsy-turvy, and there are few men willing to properly court a dame. So. I did what I tend to do when unsure how to tackle what seems an extra unruly tangle, so I bought a bunch of books. This book. Power of the Pussy. And a bunch of books geared toward the PUA, to help me avoid them. These books have been a god-send! I tweaked my profiles a bit, to the point where I made a "note" on my

last pic. It read - Note: Boys who just glance at photos and are unwilling to read a profile are a red flag to us dames, which says something about your illiterate ass, not ours. But I'm just a just a dumb girl, so what do I know? I made other tweaks, but felt that specific one was indicative of the whole. I have a quirky sense of humor, and thought it a good idea to let this shine in my profile, and only reply to men who "got" my irreverent tone. It changed the whole game. I recently met a guy who is wooing me like a proper lady. He fed me strawberries with melted chocolate. Took me to the new sci-fi film (I'm a nerdy gal) Edge of Tomorrow in one of those nifty theatres that serve food. He's cooked me dinner. Thinks I'm hilarious...
