Exalted The Outcaste

Synopsis

Dragons Beyond the Empire They are criminals, rebels, heroes, bumpkins and bastards, yet the Dynasty of the Scarlet Empire uses only a single word to describe those Terrestrial Exalted who live beyond the borders of the Realm: outcaste. But though they may not have graduated from one of the imperial secondary schools and may not possess a proper pedigree of parentage, they are Exalted nonetheless. Eggs Gone From the Nest Exalted: The Outcaste details three major outcaste communities: the Forest Witches, the pirate band of Eos and Ossissa and the mighty Seventh Legion, the last First Age military formation remaining in Creation. Also included is a wealth of information on outcaste heroes born into the Threshold or to lower-class families in the Realm
