## Crush (Dawn Of The Dragons Book 3)

## Synopsis

Adult content / Complete standalone story Prepare to get down and dirty with a spicy spin on the tale of Romeo and Juliet when a dragonslayer on a mission falls for the dragoness of his dreams. Astrid Drakenstone is a unique half-dragoness with the magical talent of the immortals and the temperament of a human. On the day sheâ€™s gifted the legendary sword Ascalon, sheâ€™s also dealt an inescapable destiny â€” in her hands, the sword may either save or doom their kind. Lieutenant Nathaniel Kirkpatrick lives a dual life. Among his fellow sailors, heâ€™s a dependable Naval officer, but to the Knights of Merlin, heâ€™s the reincarnation of Sir Galahad. As one of many old souls reborn each generation, he trains for a single purpose â€” to slay dragons. With orders to infiltrate the paranormal world, he meets his match when Astrid becomes the target of his next mission. While the discovery of Astridâ€™s existence introduces a new threat to the knighthood, Nateâ€™s drawn to her in a forbidden attraction. They call her a monster, but he sees a woman with a compassionate soul. Torn between duty or forsaking his brothers, he soon realizes investigating the Drakenstone family for the knights will come at a price: his heart.
