Trouble With Gargoyles: An Urban Fantasy (Moonlight Dragon Book 3)

Synopsis

Trouble is heading your way, Anne Moody. A monster is hunting Anne and her friends. Curses are running rampant through the Moonlight Pawn Shop. And now she's learned that her mother was an enemy of the shapeshifter community. What is going on? Dragon sorceress Anne Moody isn't about to sit around bemoaning the mess that her life has become. She wants to know the truth: is her mother being unfairly accused, or was Iris Moody indeed the deadly weapon of the Oddsmakers? And who is the mysterious creature that is attacking Anne and her friends? As she soon discovers, sometimes the truth isn't what you hope it will be. From the depths of a dangerous speakeasy for shapeshifters to the city's tallest landmark, Anne begins to unravel a terrible conspiracy she never expected to find. Even worse, her gargoyle boyfriend Vale stands at the heart of it all. With the Oddsmakers putting on the pressure, Anne is torn between the need to protect her loved ones and the desire to correct an injustice that might require the ultimate sacrifice...her humanity. Don't miss a book in the Moonlight Dragon series! 1. Descended from Dragons 2. Hunting Down Dragons 3. Trouble with Gargoyles 4. Forged in Fire 5. Customer Reviews

Oh, botheration, lets get the legalities out of the way first, OK? I received an ARC in exchange for an honest review. I am, truly, a very lucky lady! Anne Moody is still cursed. Poor girl, she's going to be cursed forever, which is really too bad for her, but really, really good for us. The longer she's cursed, the more books we'll have to read. This is the third book in the series, and it was ever bit as gripping and fun as the first two. The cameos in her store are still calling out curses to her, this time they warn of betrayal, but they don't tell her who the betrayer is, or who the betrayed is. And Anne Moody is in for a true surprise, as is the reader. This would have been another one-sit read, but life interrupted. Admittedly, I was not pleased--I wanted to read. When I get my hands on a book that is as much fun as these are, I want to escape into that world, and not be called back to this one until I'm darned good and ready â " or when the book ends, whichever comes first. Trouble with Gargoyles takes us back to her parents and their untimely death. It shines a bit more light on the Oddsmakers and why they are so interested in poor, cursed Dragon Sorceress Anne Moody, and why she feels the way she does about them. A monster has arrived in Las Vegas, and is hunting Anne Moody and her friends. The cameos warn of betrayal, and Vale (her gargoyle boyfriend) is a prime suspect. Anne takes us to an old time speakeasy, populated with shifters of various degrees, and learns why she isn't liked, let alone trusted. Vale's brother, heir to the Gargoyle Throne drops in, and Anne sees brotherly love and competition up close. Is this the betrayal the cameos warn her of?
