LEFTOVERS An American Tragedy

Synopsis

PLEASE don't put me in there son! Please don't, for I shall surely die. Listen Dad, you have to go as we can't take care of you any longer. You won't listen and won't take your medications. We just can't take it any more. You have to go. This may sound like an extreme situation but, happens much too often. When children just don't want the responsibility of taking care of their elderly parents they put them into a nursing home. Just like leftovers in a refrigerator. Then they are forgotten, the parent(s) that is, again, just like leftovers in a refrigerator, they are FORGOTTEN!
