Ouija Board Stories: Chilling True Horror Stories Of Ouija Boards Gone Wrong (Ouija Board Stories, Ghost Stories, True Horror Stories, Ouija Board Nightmares, Haunted Places Book 1)

Synopsis

Chilling True Horror Stories Of Ouija Boards Gone Wrong... Claim Your FREE Bonuses After the Conclusion! Let's be honest: there's an inner psychic in all of us. There are times when we become fascinated with things like death, ghosts, afterlife, and well, Ouija boards. If you're curious about what will happen should you touch and play with a talking board, then you have come to the right place. There's a story about a boring séance which yielded scary results. There's one about a mother who dared Satan even after her dead father warned her not to play with the board. Another is about an 11-year old who failed to play by the rules. One story featured is about a woman who was tricked by the spirit to torture her husband... I'm sure you're excited to read all the stories here, but before you proceed, let me ask you this question: are you brave enough to perform a séance using the talking board? Ready? Move the planchette to Hello! Here Is A Preview Of What's Inside...Ouija Board Stories: A Warning from BeyondOuija Board Stories: The Spine-Tingling Story of Angela JacksonOuija Board Stories: Don't Forget to Play by the RulesOuija Board Stories: The Creepy Tale of the Mexican Ouija BoardOuija Board Stories: Unwanted ShadowsOuija Board Stories: A Series of Interesting EventsMuch, much more! Customer Reviews

I am really not fond of reading horror stories as I used to get afraid easily but this time, I made a break for myself. I am now trying to read a true horror stories by myself and I am reading by night not days. The night when my kids and husband is sleeping. While reading this book, I goes goosebumps. I would not recommend ouija board playing. It is not a joke and must be taken seriously. Do not challenge them. A nice read.

The Ouija board has been used by thousands of people for spirit communication and is very similar to automatic writing, the only difference between the two . Most paranormal researchers advise against the casual use of the Ouija board, suggesting that it can be a doorway to unknown dimensions.Spirit Boards have been used for centuries and made it to the main stream during the Victorian Spiritual Movement.

This was a very interesting book that I received free. I used to have a fascination with ouija boards when in my teens. In fact, I owned one at one time. But, unfortunately, I didn't get the gist of it like the individuals in these, so it ended up being given away. Some of these tales are hair raising, so you need to read it just to see what I am talking about.....if you dare

Thanks for taking the time to collect all of these accounts and compile them into a awesome book. It was great I could not put it down. I love reading about the paranormal.But the is one of the things I do not wish for him to explore...these things are extremely dangerous . Before you think about getting one read the stories maybe that will change your mind .

I have always been curious about Ouija boards, but have never tried one before. I truly believe that spirits can show themselves through them. After reading these stories I think I will stay away from them. Great book and writing.

A short read and made me felt like I want more from the book. It was a usual ouija story telling that also got me at first but leave me hanging when I want more from it. It was a good and thrilling read.

There is no safe way to use a Ouija board- as the book would make you think. And there are no spirits talking to you. They are all demons. Some of the stories are interesting, but I believe the author is confused. The popular supernatural film The Conjuring makes it so a person can be Catholic, and hold stances. This is evil, and goes against the Commandments. You don't need a Ouija board to talk to "spirits." Talk to Jesus and his saints. You won't regret doing so.

Such an interesting book to read! I read this book in one sitting. Very well written, very scary. I'm glad that someone has finally put a book out there regarding Ouija boards and the danger that comes from using them. Roger has some very credible sources on this topic. If you are interested in the occult, want a book that's scary and a quick read this is the book for you. I really recommend this book to all horror book lovers!
