Routine is especially important for your puppy. By reading this book you will know how Puppies learn very quickly with proper instruction in seven days. Author nicely described puppy's emotion and mental health is just as important as her physical health. This book tells you everything you need to know about training a puppy and setting him up for a lifetime of good behavior. In this book, the author presents a clear-cut explanation of positive reinforcement. There are no bad dogs, just bad owners. In order to be a good dog owner, you need to train your dog to be a well mannered. This book will socialize the pup that knows how to listen and behave. This book also teaches you the science behind the importance of gaining your dog's belief. It's more than just an adventure in obedience training. Best book ever.

Awesome! This book is very helpful! We are getting a puppy in a few weeks and I got this book as a guide to help potty train him. There are many tips listed inside on how to potty train your puppy in seven days. Everything is very organized and straight to the point. I am so happy we got this book to help us! I can't wait to get him here and start training him right away. Really worth recommending!

My girl adores dogs and we decided to adopt one as a new addition to our family. Since she made it clear that locking the puppy up is not an option and since im not that knowledgeable on dogs, I decided this book might be of great use. Indeed, it turned out well and i picked up a lot on useful tips not just to train the puppy but also to understand their "language". I got more than what I expected and I'm really happy with the progress our puppy has made in just a couple of days.

This book taught me everything I needed to know about training my puppy. I find this book very helpful especially for dog lovers out there. It's better to train our pet well while they are still a puppy

in order for them to be a well-behaved pet when they grow. This book is full of simple steps that I believe will really work, and I would highly recommend it to anyone who are planning to buy puppy. I can assure this is the best guidebook Iâ™ve ever read about puppy training.

Very helpful and straightforward book about house training puppies! The instructions were right on and no non-sense sub topics whatsoever. From my point of view, this book is well-researched and opinions of experienced trainers where consolidated properly. I hardly had any slow pacing as per reading and understanding the book since itâ™s well-thought of. Surely, this book is an ultimate guide indeed!

I don't know what to do for my new pet to follow my lead so I took the chance of downloading this book and it did help me on what steps I need to do for my pet to get used to her new environment and to make her follow routine and good habit, ie right place to poo, meal schedule, good behavior and other things necessary for her welfare. This book definitely help me guide my puppy's routine. 5 stars!

This is a very comprehensive book for training puppies. I like the techniques being laid down in this book because it is easy and doable. I find this book very professional as to the ways it relays its ideas on puppy training. As I applied these steps, I really find it effective and easy. My pups are going to love these trainings and my children too. Thanks to this book, it's really helps!

This book covers all the basics of puppy training. The book teaches you how to train your puppy in some crucial areas or ways. The book is laid out well and the instructions are clearly presented. This is a fine resource for quickly learning what to do with your puppy, and could be used as a reference guide also. If your puppy is driving you crazy, this book will help restore some sanity.
