Customer Reviews

A cozy paranormal series like no other. Mystery and murder in a small eastern town. Four sisters

discover they have inherited "unique abilities" as they solve the whodunit with the subtle input of their kitties. This is not your typical "cozy" or spooky paranormal. There are even a couple of chuckles within the pages. The recipes included from the sister's B&B are oh so yummy.

Angie and her sisters Jenna, Ellie, and Courtney are back in the second Sweet Cove mystery by J. A. Whiting. In the last book, we learned that the sisters may have inherited some psychic ability from their Nana. However, thus far only Angie and Courtney have exhibited any ability. All of the sisters are living together in the Victorian house that Angie was bequeathed in the first book. Ellie is running part of the house as a B & B. Angie plans to reopen her bake shop and cafe in another part of the house as soon as the house is through probate and she gets the money to do the renovations necessary for her shop. Her twin, Jenna, has already opened a jewelry shop in another area of the Victorian mansion. Courtney, the youngest sister, has just graduated college and has been working for the disagreeable confectioner in town. She and Angie find him stabbed to death in his own shop. None of the townspeople are sorry to hear of his demise. His estranged brother shows up in town the day that his brother dies and has booked lodgings at the B & B. The girls are asked by Chief Martin to use their powers to help with the investigation. He had worked with their Nana in the past. If you like your murders mostly gore free, this could be the mystery for you. I strongly suggest that you read them in order.

Book 2: With the move into her inherited home a beautiful old Victorian home just down the street from her old bake shop location, Angie's sister Ellie is preparing to open a bed and breakfast. Angie has big plans for her new bake shop; however the construction is taking longer than expected. Courtney before graduating is working part time in Finch's Confectioners when Mr. Finch is murdered. Mr. Finch was very mean and nasty and not many were very upset about his demise. Mr. Finch has a brother whom he has not seen in 50 years, who just happens to show up the day of the murder. It's an interesting story line when you learn more about the deceased Mr. Finch and begin to see why the girls are attaching themselves to their guest, Mr. Finch. While searching for the murderer, we now have two cats helping out. The story line is good, the humor and laughter is great.

I love this book, it is a true continuation from Book One (Sweet Dreams Bake Shop) and answers many questions and will lead you to many more which in my case, led me to instantly begin book three. Ah well. All four sisters, Angie, Jenny, Courtney, and Ellie are present along with their adopted

cat, Euclid. By the ending of this book, there will be two new characters added to the stage. The sisters are living in the Victorian as caretakers, running a B&B (court okayed) and a Jewelry shop of Jenna's. Angie is freelancing her baking goods and life has a rhythm. Courtney gets a part-time job at the local candy store. Only one day Courtney gets a 'premonition' and asks Angie to walk her to work...They arrive and the store is dark but, the front door is open...I know...I know...but they did anyways...a body is discovered and the girls find out more about their deceased Nana than they knew before! There are the wonderful action scenes. Not predictable although you would have thought so with the going in the door...surprise!! I really enjoy this Author...how fast can she write???

I really enjoyed this book because it is a well written and skillfully plotted mystery. We learn more about the likeable cast of characters introduced in book 1 and are also introduced to 2 new characters who have important roles in later books in this series: Victor Finch and the cat Circe. Victor Finch was cruelly abused by his brother Thaddeus fifty years ago. They have not been in contact since Thaddeus pushed Victor down a flight of stairs, crippling him for life and stealing everything he owned. Victor comes to Sweet Cove hoping for some healing and reconciliation between them but Thaddeus is murdered. Victor's story is quite moving because he suffered so much yet was willing to forgive. He stays at the B&B and becomes close friends with Angie and her sisters. At the request of police chief Martin, they work together using their psychic gifts to help find the murderer, and are helped by their cats Euclid and Circe. This is another good cozy paranormal mystery that readers can enjoy.

This is the second in the series and she has moved a little closer to a paranormal mystery though is still quite firmly using the cozy formula. The cats have taken on a bit more character but she still needs to amp up the sisters by quite a bit. It is a quick clean read but there is nothing that distinguishes it from the flood of this type of book that we currently see on . She has some good concepts she just needs to bring them to the forefront or this series is going to disappear into the crowd.
