## Synopsis

Chavvah Trimmel, a werecoyote and part owner in Sunny's Outlook, has recovered physically from her kidnapping, but emotionally she still has scars. Her best friend Sunny is happily married and knee deep in baby poop, all Chavvah wants to do is focus on the future and forget about the past. When the Tri-State Council of therianthropes decides to hold their annual Jubilee in Peculiar, Chavvah is stoked. It's great for business, and a hunky new shifter in town might be the answer to getting over a crush she has on a certain werewolf shaman-doctor who doesn't know she even exists. A murder in Sunny's Outlook makes ignoring Billy Bob Smith impossible, especially after he insists on trying to keep her safe. But his strange behavior--acting protective, territorial, and annoyed (okay, the annoyed part isn't that strange), has Chavvah worried more about her heart than her safety. It doesn't help that she's hearing voices...again. The town, full of shifters from Arkansas, Kansas, and Missouri, is on lock down. Another murder has everyone on edge. Can Chavvah and her friends find the killer? Or will she or someone she loves be the next victim?

Title: Thank You For Not Shifting Series: Peculiar Mysteries Author: Renee George Designation: Book

Two of Series, NO CliffhangerMy Rating: Five Delightfully Entertaining StarsIt's no secret that I've been a Renee George fan for years and love everything she writes, and Thank You For Not Shifting, the second full length story in her Peculiar Mysteries Series is no exception. Thank You For Not Shifting is a well crafted, fast-paced, fun filled full length paranormal whodunit filled to the brim with heart-stopping danger, heart-pounding drama, edge of your seat suspense, brain-teasing mystery, outrageous humor, agonizing angst and heartwarming romance. The narrative is beautifully written with a first person perspective from Chevva Trimmel, the beautiful werecoyote we originally met in You've Got Tail, the first book of the series. The dialogue is smart, sassy, well executed, and at times, laugh out loud funny. But without a doubt, my favorite component of this story is the remarkable cast of well developed, outrageously cute, completely engaging and larger than life characters. They will literally steal your heart. George is an extraordinarily gifted storyteller who never fails to deliver a satisfying as well as entertaining story every single time. So, buckle up and prepare for another fun read!Our favorite characters from the all therian community of Peculiar, Missouri are back and trying to survive the festivities of the Tri-State Council's July Jubilee. Well, almost all therian...there is one human who resides in the all shifter town and that's the mayor's new bride, Sunny Haddock but in her defense, Sunny is, or was until a few months ago, a psychic but all that's supposed to be hush hush.

Don't let me go. I don't plan to. Ever. HOLEY FURRY SHIFT!! What a PAWSITIVELY WOLFLICIOUS book and a PAWFECTLY SHIFTACULAR continuation of a FANGTASTIC series!! I LOVE that this is about Chavvah, but I especially love that everyone is in the story again too! It makes me feel like I came back home to my friends, to catch up with them on everything that has happened in the past few months since I last saw them. I actually read You've Got Tail (for the 3rd time), then My Furry Valentine and Thank You for Not Shifting (both for the first time) one right after the other and it enhanced the reading pleasure immeasurably, BEYOND SPECULIARTASTIC even!!! One aspect that I love is that Chav is not all magically better. In fact she is not completely healed up, nor has she come to terms with the horrors she has been through. Although reliving parts of it with her is hard to stomach, I love how Renee shared it with us, how we got to be a part of Chav's recovery, feeling like we were there supporting her through it all, often at times feeling like I was the one trying to deal with it all. But this book is not all doom, gloom & pain! There is so much PAWESOMENESS inside its IMPAWSSIBLE to sum it all up without a spoiler leaking out just like Jude's next meal! Here's a taste of what you can expect - humor of all kinds, scratch that - total laugh-out-loud-until-you-pee! • humor, happiness, sadness, friends, siblings,

outsiders, secrets, surprises, shockers, lovers, lust, love, hate, mysteries galore and... well, you get the idea! No one and I mean NO ONE can create a World & write these kinds of stories in it like Renee can!
