WILLIAM WALKER ATKINSON PREMIUM 7 BOOK COLLECTION: SUCCESS, CONCENTRATION, AUTOSUGGESTION & MENTAL INFLUENCE (Timeless Wisdom Collection 160)

Synopsis

This collection contains seven of the best books ever written by WILLIAM WALKER ATKINSON, on SUCCESS, AUTOSUGGESTION, CONCENTRATION, MENTAL INFLUENCE and even MIND READING. The seven books included in this volume are: The Secret Of Success, The Power Of Concentration, Suggestion And Auto Suggestion, The Inner Consciousness, Practical Mental Influence, How To Read Human Nature, Practical Mind Reading. There is not much left to say about Atkinson, except that he was perhaps the most prolific author in self-help and occultism of the 20th century, and the precursor, with Marden, Wattles and others, of the self-help and motivation movement that has transcended to our days.

Customer Reviews

There is so much wisdom in this book. It has been repeated by different authors over the years but this seems to go right to the main point of each topic. I will be reading it again and again. If you are interested in self-help literature then you would get an enormous amount of help from this book. More than any other book that I've come across in many years. I have skipped over some sections

that are a little too far out for me and concentrated on the ones that I could benefit from. Great advice to be gained if you read it.

Great spiritual collection packed with profound insights and spiritual wisdom. I highly recommend it. William Walker Atkinson is a pioneer of new thought and mental science. I wish I had read his books as a kid because my life would have been so much better in my younger years.

The preeminent New Thought/ New Age mystic who shows us law of attraction teachings long before they've become commercialized. He is certainly one of my teachers.

Dated, but that doesn't mean the material is not applicable.

excellent

I enjoyed reading and learning from this book.
