Melanie Becklers book is a divine work of art. Her messages from across the veil are beautiful and uplifting. In her book we are reminded that we need to open our self to love, that we are of one source of energy and light. Melanie and her book are just amazing. Love you! Thank You!

Melanie is truly an inspiration to all who aspire to serving humanity through this ascension process. Her connection with the Angelic Realm is pure and unquestionable. I am, as always, so grateful for her channellings. I have already found this book to be a beautiful asset and compliment to my own process of awakening. Thank you Melanie for your profound contribution to planet earth's ascension process. Your link to the heavenly realm is a divine beacon guiding all who choose to follow the path of Love and Light. I am a member of the online community Ask-Angels lovingly created by Melanie Beckler where she radiantly shines her light of love on all who are blessed to know her. This is the first time I have used Kindle and I downloaded her new book and was immediately captivated. I think I like receiving the messages from the Angelic Realm through the printed word as much as I do through the audio and video messages she creates. I could actually hear her enchanting voice as I read the words of Saint Michael. I would recommend this new book by Melanie Beckler to anyone who wishes to connect with Archangel Michael or any of the other Archangels she hears in her stream of consciousness. Melanie is filled with the joy and happiness and peace of mind that comes from being aligned with God's Will for her life. She is someone very special and I am very excited about her new book.
