How do you raise your vibrations?Book: 'Raise Your Vibration: 111 Practices to Increase Your Spiritual Connection' by Kyle GrayBook Review by Mary MikawozI have always wondered how to increase my vibration and here I found a book exactly to deal with this subject-matter. It recommends that you do the 111 practices - one per day, however, as I was reviewing this book, it necessitated me doing the practices in a relatively short period of time.Kyle Gray is the young author at only 28 years of age. He has been intuitive for a long period of time. When he was 4 years old, he was visited by his grandmother's soul. He continued to be intuitive into his teens when he developed an interest in spirituality and angels.He covers many of the main topics such as everything is energy and that God is love. He writes that what he discussed in this book is not

contrary to any religious doctrine and that it can be acceptable to all people. The information is basic to becoming a lightworker who does good in society and is trying to make a positive difference in the world. Kyle Gray goes through presenting the practices or vibes according to the main seven chakras plus three others. One is the Earth Star Chakra which is found 6 to 12 inches below the feet. The second is the Soul Star Chakra which is found 6 to 12 inches above the crown or head chakra. Finally, there is the Stellar Gateway Chakra which is found 12 inches above the head chakra and with its connection to the cosmos. When we accept the spiritual gift and mission that lightworker is on, we awaken and empower ourselves from the inside out. One of my favourite vibes is vibe number 73 which is affectionately known as Cleanse, Tone and Moisturize.
