# When The Sky Falls

## Synopsis

The sky burns with shooting stars. When some of them hit the ground, the very earth trembles -- and horrifying new creatures and magic arise. This event book serves as a guide for DMs and players whose world is struck, and struck hard, by a meteor. Following the model of the popular event book *Requiem for a God*, D&D Epic Level Handbook designer Bruce Cordell brings you *When the Sky Falls*. This book presents a variety of new prestige classes for characters close to ground zero, a variant magic system powered by residual meteor fragments, and many new feats and spells. *When the Sky Falls* also describes frightening new monsters -- creatures twisted by their proximity to the Afterfall.

## Book Information

Series: Sword and Sorcery D20

Paperback: 63 pages

Publisher: White Wolf Publishing (June 2, 2003)

Language: English

ISBN-10: 1588460614

ISBN-13: 978-1588460615

Product Dimensions: 8.4 x 0.2 x 10.8 inches

Shipping Weight: 7.2 ounces

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (1 customer review)

Best Sellers Rank: #1,730,102 in Books (See Top 100 in Books) #332 in [Books > Science Fiction & Fantasy > Gaming > World of Darkness > General](#) #21110 in [Books > Humor & Entertainment > Puzzles & Games](#)

## Customer Reviews

This was one of the most exciting products I purchased in a while. Although not for everyone, the possibilities here are campaign changing. A huge rock falls from the sky, wiping out everything around it. That alone is game-changing. But what if it was hollow? What if it contained the essences of a lost race? What if it was a piece of a defeated divine power? Think about the dinosaurs, think about *The Kingpriest* and *Istar*, think about the *Final Fantasy* movie. All are possibilities now. If there was one thing I'm changing, it's the section where the detail the guardians that come along with one type of meteorite. I decided instead that I'd use some of the monsters and templates already published that didn't have a home yet in my campaign. (Like the prismatic roperr or steel predator.) Dollar for dollar, it's worth every penny.
