# DUAs For Success: 100+ DUAs (prayers And Supplications) From Quran And Hadith

## Synopsis

Finally, here is a DUA book that packs many DUAs that you will need for your life's various situations. These include DUAs that ask Allah for the ease of one's difficulties, blessings for self and family, increase in Rizq (life's provisions), relief from anxiety and calmness in hearts and many more. This book contains specially selected DUAs (invocations and supplications to Allah) that are suitable for asking Allah for relief from burdens and difficulties and asking for success and happiness in this life and the hereafter. These DUAs are taken both from the Quran and Hadith of the Prophet (sallal-lahu Alaihi wasallam). A collection of more than 100 Duas that are not commonly documented are taken from Sahih Bukhari, Muslim, Abi Dawood, Tirmidhi, and other authentic books. The final chapter at the end includes Duas from the Quran with an explanation of when various prophets made those Duas to Allah. This Dua book should be carried by every person to help with the day to day affairs and burdens of life. DUAs in this book are suitable for asking Allah for: Relief from debts Increase in Rizq (provisions) Relief from anxiety and calmness in hearts Ease of difficulties Blessings for self and family Asking for righteous children Forgiveness of sins Staying firm in faith Asking for a sound character Asking for security for family High status in this life and the hereafter Refuge from calamities High status in Jannah Tawakkul (trust) in Allah Success in this life and the hereafter Health and wealth Asking for lawful provisions Protection from persecution Refuge from laziness and old age Relief from poverty Protection from Satan and other evils and 100+ more Duas both from Quran and Hadith

Best Sellers Rank: #59,207 in Books (See Top 100 in Books) #3 in Books > Religion & Spirituality > Islam > Hadith #4 in Books > Religion & Spirituality > Islam > Sunnism

## Customer Reviews

This is a nice book, but in practical usage, I do not really recommend it if you are an American Muslim who grew up a Christian. The prayers are great, but pinpointing which prayer is applicable requires more thumbing through page by page versus going to an index that can tell you exactly which page applies to your prayer needs. I think an indexing of prayers would improve its ratings.

This has good collection (with helpful transliteration and translation), BUT this book lacks an index (or even a detailed TOC)...so it is not easy to find a dua without scanning the whole book. In this age of electronic publishing this is simply un-acceptable (from a technology perspective). Islam does not prohibit use of technology when it makes sense, so I don't understand this oversight. Matter of fact this book has a detailed TOC at the end for another book that they want you to buy. A better alternative is "Fortress of the Muslim: Invocations from the Qur'an & Sunnah" (Fortress Muslim Invocations Quran Sunnah which has a bigger collection as well

THIS IS A WONDERFUL AND COMPLETE DUA BOOK. IT IS EASY TO FOLLOW AND HAS REFERENCE S SO YOU CAN FEEL LIKE YOU KNOW WHAT YOU'RE READING. THE TRANSLITERATION AND OTHER FORMATED ENGLISH AND ARABIC MAKE IT UNIVERSAL FOR ALL TO READ

This is the basic Dua book all Muslims need these days, especially with the rush and stress of modern life. A small and slim volume, easy to read. Simple, no frills collection of Dua' (supplications, prayers of need and emergencies, protection etc) for the believer's everyday life. Includes english translation, but no commentary (these are very simple Dua's so you really don't need any). I haven't read all of it yet but so far it seems more than adequate for most people's needs (unless you aspire to become a shaykh and want to memorize every dua' that the Prophet (saw) ever said, but in that case you probably should be looking into a more niche bookstore.) It really makes you think hard about whether you've really been reaching your potential in this life. This isn't a cushy "wait for things to happen" book. The translation and intro is rock solid and forces you to think hard about your choices and how they affect both yourself and others, the standard of positive action ethics you must hold yourself to in work, family, and life overall if you want your Dua's to be answered instead of just blindly going through the motions. I haven't read the other IqraSense books (power of Dua, Hajj rituals, etc.) but if this book is any clue, the others should also be really good. My only gripe so far is how short it is and the limited amount of background text (i.e. sometimes it seems that two dua from this collection are equally appropriate for a particular situation and the book doesn't go into a

lot of detail about choosing which one to recite primarily.)

This is my first book on Islamic DUA's and I am really pleased with my purchase. It is geared towards the beginner with little understanding of the nature, importance, and power of performing DUA to God. I am impressed with the explanations, the logical outlay of the materials, and the concise and clear language of the author. This book is packed with excellent, well-researched information and an absolute value for the price. As an academic librarian, I can only speak highly of this book and this author. Enjoy - you are sure to be satisfied.

This is an excellent book with very helpful Dua's. I really needed this book when it arrived as I was being attacked by shaytaan(s) and the Dua's in this book really helped me. When we find the right prayer with the perfect words then we can face any danger, that's how I felt with this book. The words were exactly right for the evil that was after me.

Great book. Could be a little bit more transliteration // definitions to provide a better meaning of the transliteration but it gives me what I need, how to pronounce the arabic and what it means. Duas for success has become a part of my daily prayers outside of the mandatory prayers.

I love this book and the way it's organized; very easy to read and understand. It can be read all at once in order or used as a quick reference as needed. Well worth the money!
